Content: What, why, and how of using simulations in business classes. A fair balance between using generic and vendor-specific simulation platforms would be maintained. Our simulation platform of choice is Marketplace Live, with which we have over 5 years of delivery experience.

Faculty: The course will be co-taught with an external faculty and a representative of a globally recognized strategy simulation platform.

Target audience: Business School Faculty.

Delivery Mode: The classes will be scheduled on an online platform. IIM Indore will provide requisite access to the online platform via a login account.

Certificate:

Upon completion of the programme a certificate of participation will be issued by IIM Indore. The certificate will be sent by post to the participants address.
