PLACEMENT REPORT(2021-22)

EPGP(Executive Post Graduate Program In Management)
One-Year Full Time Residential MBA

Prof. Himanshu Rai
Director, IIM Indore

"The best people are lifelong learners, not frightened to ask for help. Getting support and asking questions will help you succeed. Stimulate the appetite for curiosity, remain curious, keep learning and growing, but stay bound to your roots."

Prof. Aditya Billore
Placement Chair, IIM Indore

"We would like to congratulate and convey our sincere thanks to all our recruitment partners for their continued trust in the quality of the talent pool at Planet-I. The demand for graduates of the EPGP program at IIM Indore has been on an upward trajectory over the years."

ABOUT EPGP

Program Details:

The EPGP is structured to prepare executives for transformational leadership positions. During the intense one-year program, they will work towards developing a deeper understanding of various facets of management and hone their managerial skills. The program is spread over five academic terms on the IIM Indore campus and one International Immersion module at one of the top-ranking international universities. The first three terms (mostly composed of core courses) focus on laying the foundation for the specialization through a bundle of electives offered in the other terms. An international module provides an opportunity to develop an understanding of the global business environment and an ability to operate in a multicultural environment. The last two terms are mostly electives and other experiential learning.

Program Structure:

EPGP consists of six segments, which are:

- Orientation – Online HBS courses are offered to the students
- Core Curriculum
- Industry Consulting Module
- International Immersion
- Advanced Analytics Workshop
- Elective courses
- Simulation-based learning

Recruiting Partners

This year, EPGP saw a diverse group of recruiters participating in the process from all the sectors. Even though the majority of interest was from the Consulting & Information Technology Sector, other sectors such as Banking and Finance, Education, Marketing, Power, Healthcare, and Construction too showed an uptick.

More than 100 companies communicated their interest and 68 recruiters participated in the campus hiring process with 34 first-time recruiters.

“

Do not be arrogant – and don't let the arrogance of a great persona, wealth, or position ruin your humility. There's no replacement for hard work, and the concept of having passion, purpose, and positivity would help you achieve your goal. Find what gives you happiness and joy – and continue working passionately for that.
