The successful tenderer/bidder shall be liable, in accordance with the Indian Law and Regulations for any accident occurring due to any cause and the IIM Indore shall not be responsible for any accident or damage incurred or claims arising there from during the contract period under the supervision of the successful tenderer/bidder in so far as the latter is responsible.
- 24) **Mobilization advance:** No mobilization advance shall be paid for this work.
- 25) Mandatory regulations prescribed by the Government shall be followed by the contractor regarding labour and safety clauses, without any lapse, including those conditions, amended by these departments periodically.
- 26) The contractor has to abide by various statutory acts of the Government regarding facilities to be provided to the workmen, labour, staff employed under minimum wages act, workmen compensation act, factories act, ESI, PF etc.
- 27) Labour compliance have to be done as per GCC\_Maintenance\_Works\_2020 of CPWD).

**Special Conditions of contract:**

1. The contractor is advised to visit the above site and make themselves conversant with the scope of work and all the local safety / security rules and regulations to be observed strictly and any claim whatsoever shall not be entertained, later on this account.
2. This is a service contract, hence all the staff engaged by the contractor shall be purely his liability and department in no way shall be responsible for any compensation for any of their acts/ accidents.
3. The contractor shall arrange to render efficient preventive service. However, in case he fails to maintain the services to the satisfaction of the IIM representative and the department has to incur any expenditure on that account, the expenditure thus incurred will be recovered from the contractor. Proper records shall be maintained for all the above. In case any complaint is pending because of a reason beyond control of the contractor, he shall intimate the same to IIM's representative by phone or by special messenger within one hour.
4. In case of any accident during the operation / maintenance of the equipment leading to injuries, damages to human being, equipment and or loss of life, the contractor shall be fully responsible for setting all claims and indemnity the department against any claims arising out of such accidents, consequential damages to other system will, however, be not recoverable from the contractor.
5. Before taking over the possession of site, the contractor has to produce the required certificate of qualification of Staff to the department to whom he proposes to deploy at site. Apart from satisfying the Wireman / AC mechanic qualifications, workers deployed must have sufficient knowledge to maintain satisfactorily the electrical and mechanical installations as mentioned above.
6. It shall be the responsibility of the contractor to maintain and hand over back the installation covered under scope of work after completion of work in good working condition as required.
7. Contractor himself will be fully responsible for any accident/causality of his staff if occurs due to electrical fault or negligence of his staff or due to any other reason during duty hours. IIMI Mumbai campus/IIM Indore will not be responsible in any way for the same and no extra payment/claim/compensation shall be made to contractor by the IIMI Mumbai campus/IIM Indore.
8. The contractor shall be responsible for periodical checking, preventive maintenance as per IS: codes/IE rules, maintenance manuals /CPWD manuals & as prescribed. Record of such inspection and preventive maintenance done by contractor to be maintained in separate register and to be got verified by engineer of IIM. A list of periodical checking, servicing & maintenance is given for guidance & compliance of the contractor.
9. Relevant IS codes/IE rules and maintenance manual with upto date amendments be procured and kept at site by the contractor.
10. No parts or components of the items being maintained by vendor shall be removed without prior approval and knowledge of IIMI Mumbai campus/IIM Indore. Any part

to be removed from the item for repair shall be done after approval of the nominated supervisor.

11. On account of security consideration, some restrictions may be imposed by the security staff on the working and/ movement of men and materials etc. The contractor shall be bound to follow all such restrictions/ instructions and he shall organize his work accordingly. No claim on this account, whatsoever, shall be payable.
12. The agency shall take all precautions to avoid accidents by exhibiting necessary caution boards day and night, speed limit boards, red flags, red lights and providing barriers. He shall be responsible for all damages and accidents caused to existing/ new work due to negligence on his part.
13. The AMC Service will be carried out in the manner complying, in all respects, with the requirements of relevant bye-laws of the local body under the jurisdiction of which the work is to be executed or as directed by the IIM representative and nothing extra shall be paid on this account.
14. The agency shall comply with proper and legal orders and directions of the local or public authority or municipality and abide by their rules and regulations and pay all fees and charges which may be liable.
15. All materials to be incorporated in the AMC Services shall be arranged by the contractor and shall be in accordance with the specifications laid down.
16. **The tenderer shall use materials of OEM (original equipment manufacturer) unless otherwise specified or allowed in writing by the IIM representative. Any material banned by the department shall not be used in the AMC Service.**
17. In case any material / work is found sub-standard the same shall be rejected by the Engineer-in-charge and the same shall be removed from the site within 48 hours, failing which the same shall be got removed by the Engineer-in-charge at the risk and cost of the agency without giving any further notice and time.
18. The agency shall be responsible for completing the AMC Service and for satisfying all terms and conditions of the Contract without any extra payment over his quoted rates unless otherwise specified. The agency shall quote his rate for various items of work accordingly and no claim whatsoever shall be entertained for any incidental or extra work involved in the execution of the work as per nomenclature of the item and the specifications indicated in the tender documents.
19. All tools, plants and measuring shall be arranged by the agency himself and nothing extra shall be paid to the agency on this account.
20. **CONTRACTOR TO COMPLY WITH LAWS:**
  - In the performance of this Contract, the agency shall abide by all existing laws, codes, rules and regulations set forth by all governmental units and authorities having competent jurisdiction over Contractor and/or the work performed by Contractor hereunder. Contractor shall also procure and pay any necessary permits or licenses pertaining to the work performed by Contractor pursuant to this Contract.

- All repair, parts replacement or adjustments called for hereunder shall be performed in full compliance with specified laws, standards and codes set by the government with latest edition, including amendments thereto, and with applicable regulations of the state, city and/or local authorities. In case of conflict, the more stringent regulations will apply.

**21. TERMINATION OF AGREEMENT:**

- Either party may terminate this Agreement by giving the other party not less than thirty (30) days written notice.
