FINAL PLACEMENT REPORT 2024

EPGP

Batch of 2023-2024

Message Board

It is with great pleasure and a sense of accomplishment that I share with you the outstanding achievements of our placement committee in the most recent placement season. Once again, our students have excelled, securing coveted positions in prestigious companies across diverse sectors, further solidifying our institute's position as a beacon of excellence in management education.

This remarkable success is a testament to the strength of our curriculum, which is designed to equip our students with the skills and knowledge necessary to thrive in today's dynamic business environment. Through cutting-edge courses, lectures from global business leaders, hands-on projects, and international exchange programs, we empower our students to realize their full potential and achieve remarkable placement outcomes.

I extend my sincere gratitude to our esteemed recruiters for their trust in our institute and their recognition of the talent of our students. I also want to express my appreciation for the unwavering support from our alumni network and the continued confidence shown by our valued corporate partners.

I would like to take this opportunity to extend my heartfelt congratulations to the placement committee for their relentless dedication and tireless efforts in securing outstanding opportunities for our students. Their hard work and commitment have been instrumental in our continued success, and I am confident that with the collective support of our faculty, staff, alumni, and corporate partners, we will continue to reach new milestones in the years ahead.

Professor Himanshu Rai

*Director,
Indian Institute of Management Indore*

It is with immense pride that I unveil the EPGP placement report for the academic year 2023-24. This year marks a new chapter for our program, and the results are a testament to the collective effort of our students, faculty, and the ever-evolving placement team. We have witnessed a fantastic placement season, building upon the solid foundation laid by previous years. Our graduates have secured positions in top-tier companies across diverse sectors, that speaks volumes about the caliber of our students and the efficacy of our programs.

Across a spectrum of industries including IT, Consulting, Fintech, and Product Management, our students have garnered prestigious positions in esteemed organizations. The attainment of senior roles by many of our graduates in renowned companies reflects their exceptional skills and potential for leadership. The placement team deserves immense credit for this success. They have adopted a fresh approach, focusing on fostering industry connections through targeted outreach, interactive workshops, and personalized career coaching. This proactive strategy ensured our students were well-prepared to excel in the competitive placement landscape.

I extend my heartfelt gratitude to our placement committee, faculty members, and students for their unwavering dedication, hard work, and enthusiasm throughout the placement season. Their collective efforts have culminated in the realization of our students' career aspirations, and we take pride in witnessing them embark on promising professional journeys. My special thanks to our Director Prof Himanshu Rai for his generous support to the placement process without which the results would not have been achieved.

Our unwavering commitment to student success continues. We will keep innovating to connect our students with the best opportunities and empower them to confidently navigate the next placement season

Professor Abhishek Mishra

*Chair, Career Services
Indian Institute of Management Indore*

About EPGP

- The EPGP is structured to prepare executives for transformational leadership positions. During the intense one-year program, they will work towards developing a deeper understanding of various facets of management and hone their managerial skills.
- The program is spread over five academic terms on the IIM Indore campus and one International Immersion module at one of the top-ranking international universities.
- The first three Academic terms (mostly composed of core courses) focus on laying the foundation for the specialization through a bundle of electives offered in the other terms.
- An international module provides an opportunity to develop an understanding of the global business environment and an ability to operate in a multinational environment. The last two terms are mostly executives and other experimental learning.
