About IIM Indore

With the objective of imparting high quality management education and training, the Department of Higher Education, Ministry of Education, Government of India established Indian Institutes of Management (IIMs) as Institutes of Excellence. The Institutes are recognized as premier management institutions, comparable to the best in the world for teaching, research and interaction with industries.

Established in 1996, Indian Institute of Management Indore (IIM Indore) has been a leader in the field of management education, interfacing with the industry, government and PSUs. It is promoted and nurtured by the Ministry of Education, Government of India and is an institute of national importance under the Indian Institutes of Management Act 2017.

Situated atop a scenic hillock, the 193 acre campus of IIM Indore provides an ideal backdrop for contemplative learning. IIM Indore has the latest in teaching aids, rich learning resources, IT backbone, state-of-the-art sports complex and hostels as well as contemporary infrastructure.

About IIM Indore, Mumbai Campus

IIM Indore opened its campus in CBD Belapur, Navi Mumbai, in 2011. The campus is now located at the **Hiranandani Knowledge Park, Powai, Mumbai**. The Institute offers executive programmes from the campus. Being at the heart of business activity gives the Institute an opportunity to leverage its interaction with industries - most vital for business education.

Curriculum

Academic input is delivered through two types of courses: core courses and elective courses. Core courses (Term 1 to 3) are compulsory for all participants. They provide participants with the fundamental conceptual knowledge, analytical skills and techniques, contextual understanding, environmental awareness and overall perspective, which serve as the base for the programme. The elective courses, which are offered in the second year (Term 4 to 6), give participants a deeper understanding of different functional areas and enable them to specialize in areas of their choice.

Core Courses:

Term 1	Term 2	Term 3
Communication in an Organisational Context	Macroeconomic Environment and Policy	Financial Management
Microeconomics for Managers	Financial System and Resources	Legal Aspects of Business
Financial Accounting	Business Ethics and CSR	Social Media Marketing
Cost Accounting	Marketing Management - II	Global Sourcing
Management Perspectives on Information Systems	Decision Analysis	Leading and Managing Change
Marketing Management - I	Leadership and Visioning	Strategic Human Resource Management
Operations Management	Perspectives on Group Dimensions	Logical Thinking Process
Perspectives on Individual Dimensions	Design Thinking	Strategic Management - II
	Strategic Management - I	

Elective Courses:

In the second year of the programme participants can choose elective courses of their interest offered in the following disciplines of management.

Communication	Economics	Finance & Accounting
Information Systems	Marketing	Operations Management
Organizational Behaviour and HRM	Humanities and Social Sciences	Strategic Management

Note: Selection of courses is done by the batch together .

International Immersion Programme:

The International Immersion Programme (IIP), an important and mandatory part of the programme design, is held in the second year. The participants attend this 5-day programme at an International University/ Institute. The objective of the IIP is to expose participants to best business practices and trends internationally.

No additional tuition fee is charged. However, participants will be required to bear the cost of travel, accommodation and meals etc.

Online Preparatory Courses:

Participants are given access to online preparatory Courses as soon as they accept the admission offer and pay the commitment fee. Participants earn credits on successful completion of these courses.

Management Communication	Spreadsheet Modeling	Mathematics for Management
Quantitative Methods	Financial Accounting	Finance

Case Writing:

In Term 5 and 6 of the programme, participants will be required to write a business case under the mentorship of a faculty member, based on real-life situations involving real people, in real organizations and with real data.

Capstone Course:

The Capstone course aims to help students synthesize what they learn through the two years. The course gives the participants an opportunity to apply the knowledge acquired in the programme to real-life situations.

Note: IIM Indore reserves the right to make changes in the curriculum at its sole discretion without prior intimation.
