INDIAN INSTITUTE OF MANAGEMENT INDORE

NURTURING FUTURE LEADERSHIP PROGRAM UNDER THE AEGIS OF MALAVIYA MISSION TEACHER TRAINING PROGRAMME (MMTTP) (BATCH - 06)

Sponsored by Ministry of Education, Govt. of India

Date: September 22-26, 2025

Venue: IIM Indore Campus

ABOUT IIM INDORE:

Established in 1996, IIM Indore is among the 100 global business schools (and the second IIM in the country) to receive the prestigious Triple Crown in the form of accreditations from EQUIS, AACSB, and AMBA. IIM Indore has been consistently ranked among the top institutions by various National and International ranking agencies, including NIRF, QS, and the FT-100 rankings. The institute offers a diverse set of executive education opportunities, spanning several long-term and short-term courses. With a robust offering of 200+ executive programmes, including specialized courses tailored for the UAE, GCC, and the Middle East, IIM Indore empowers professionals with globally relevant skills and expertise.

PROGRAMME OVERVIEW:

The programme is designed based on the guidelines provided by the Ministry of Education, Government of India. It specifically addresses the need for well-trained and experienced professionals in institutional leadership, as highlighted in the National Education Policy (NEP) 2020. The programme's specific objectives are to nurture faculty at different levels, particularly at the early stage of their career, thereby creating a pool of potential leaders for generational transition. Considering this objective, Nurturing Future Leadership Programme under the aegis of the Malaviya Mission Teacher Training Programme (MMTTP), Ministry of Education, Government of India, will aim to achieve the following objectives:

- Inculcate leadership skills in faculty members at an early level in their careers to advance individual and organizational goals.
- Provide broad-based leadership skills for all faculty across all levels.
- Expand the pool of potential leaders for the range of leadership positions in HEIs.
- Prepare faculty to contribute effectively and proactively in collective decision-making, shared governance, developing initiatives, and problem-solving.
- Enabling the institute administration by building an efficient leadership quality among faculty.

The course will provide faculty participants with an integrated and comprehensive view of leadership and its impact on HEIs. The course will begin by understanding oneself and the impact that one's behavior has on others. The programme will enable an appreciation of different theories and models of leadership and sensitize the participants to various aspects of leadership. The leader's impact on groups and individuals will be explored through multiple interactive case discussions and exercises. Essential leadership skills like communication, coaching, and goal setting will also be discussed in the context of HEI. The course also aims to present leadership from an experiential learning approach; the participants not only read the concepts but also practice and experiment by using some of these techniques in a simulated academic institution. The programme will also focus on the need for a more focused approach to teaching in HEIs as a tool for developing human capital and influencing the behavior and attitude of the students. Imparting fresh knowledge and skills and reinforcing new learning about the evolving technology in teaching students and professionals is a constant challenge. The programme content will be designed under the following areas:

LEADING SELF

- Understanding Oneself
- Stress Management
- Mindset For Change
- Enhancing Well-Being

- Coaching High Performance Teams
- Conflict Resolution
- Persuasive Communication

LEADING OTHERS

LEADING ORGANIZATION

- Customer Strategy in Higher Organization
- Using Data for Decision Making
- Leading and Managing Change in HEIs
- Driving Result through Strategic Planning
- Managing Technology of the Future

PROGRAMME DELIVERY:

The programme shall be coordinated and delivered by expert faculty members from IIM Indore. Participants will be required to attend the programme in residential mode, wherein they will be provided suitable accommodation at IIM Indore/Nearby hotels during the duration of training. Classes would be scheduled daily between 9:00 AM and 05:15 PM. Participants would also be assigned tasks for self-study, group activities, or field visits during the programme. IIM Indore shall use a judicious mix of lectures, case studies, discussions, group activities, field visits, and prescribed reading material to increase the effectiveness of the training. The programme will be designed to maximize experiential learning by enabling greater interaction among peers to gain a deeper understanding.
