Our MBA programme is designed to equip participants with advanced knowledge, practical skills, and enriching experiences that prepare them to excel in the dynamic world of business and management. Join us to embark on a transformative educational journey that will set you on the path to success and leadership in the business world.

About IIM Indore

Established in 1996, IIM Indore has been a leader in the field of management education, interfacing with the industry, the government, and various PSUs. It is promoted and nurtured by the Ministry of Education, Government of India, and is an institute of national importance under the Indian Institutes of Management Act, 2017.

Mission Statement

IIM Indore seeks to be a contextually-relevant business school with world-class academic standards that develop socially conscious managers, leaders and entrepreneurs. IIM Indore is committed to:

- Excellence in management education, research, and training.
- Use of contemporary participant-centric pedagogies and teaching methods.
- A presence in emerging segments of management education.

Message from the Director

Management in the contemporary business world is a multifaceted process that involves not only traditional principles but also a strong emphasis on adaptability, leadership, and global awareness. Successful management today requires navigating a rapidly changing landscape while efficiently and effectively achieving organizational goals.

At IIM Indore, it is our constant endeavour to be a contextually-relevant business school with world-class academic standards that help develop business leaders of the future and the next generation of entrepreneurs. Our Executive Post Graduate Programme in Management (EPGP) is a one-year, full-time MBA programme that provides a comprehensive educational experience to shape the leaders of tomorrow. Whether you want to advance your career, change industries, or enhance your entrepreneurial skills, our MBA programme is the perfect platform to help you achieve your goals.

Through our curriculum, you'll gain a solid foundation in business fundamentals and have the opportunity to explore areas such as finance, marketing, entrepreneurship, and innovation. We believe in learning by doing. Our MBA programme includes practical projects, case studies, and Industry Connects that allow you to apply your classroom knowledge to real-world situations. The customized segments of the programme, like the industry consultation module, international immersion, and analytics workshops, ensure that our participants are more than adequately equipped and empowered with knowledge and skill sets to have a competitive advantage in the volatile, uncertain, complex, and ambiguous business environment. Furthermore, with the opportunities for international study at one of the top-ranking international business schools, participants enhance their ability to work in a cross-cultural environment, enabling them to understand and compare the businesses in emerging and developed economies.

Our distinguished faculty members are experts in their teaching areas and provide you with the knowledge and skills necessary to excel in today's dynamic business world. We understand that pursuing an MBA is a significant commitment, and your MBA journey is an investment in your future and will yield dividends for years to come. I eagerly await the opportunity to welcome you to our esteemed institution and witness your growth and accomplishments as a part of our MBA programme.

PROF. HIMANSHU RAI
Director, IIM Indore

Message from Chair-EPGP

The Executive Post Graduate Programme in Management (EPGP) of the Indian Institute of Management Indore is an intensive one-year, full-time residential MBA programme for experienced professionals. This programme aims to produce contextually relevant managers and leaders with exposure to world-class management education. EPGP is spread over five terms, with one term dedicated to international immersion. The international immersion provides exposure to international management practices and improves adaptability for future work in cross-cultural settings.

EPGP is designed to impart leadership qualities and analytical abilities to excel in the current business environment. It aims to hone the participants' knowledge, skills, and attitudes through its bouquet of courses utilizing a unique blend of discussions, case studies, simulations, experiential learning, international immersion, creativity, innovation, entrepreneurial orientation, and social sensitivity. The programme has a prudent mix of core and elective courses to ground participants in the basic disciplines of management and to be ready to learn and adapt to the dynamic national and international environment.

The programme prepares them to work in diverse organizations and be sensitive to social needs. The diverse composition of the participants with a wide range of experience in different sectors and roles is a cornerstone for rich in-class learning as well as peer-to-peer learning for all the participants. The bright cohort of EPGP engages in many academic and extracurricular activities for inclusive and all-round development. They regularly interact with industry practitioners to understand the dynamics and complexities of organizations and businesses and better align their learning experiences with the offerings in EPGP.

Students join our programme through a rigorous selection process that comprises a written test like the GMAT/GRE/CAT and personal interviews (PI). We welcome students from diverse backgrounds and sectors every year. As a new cohort of students joins us, we at IIM Indore look forward to learning from shared experiences and lively interactions on campus.

PROF. JATIN PANDEY
Chair - EPGP
