

CMIE States of India Registration/Access Process

Learning Centre
Indian Institute of Management Indore

About Resource

The statistics covered here include a wide spectrum of economic and socio-economic indicators. State domestic product, inflation, banking, public finance, agriculture and industry are examples of the types of economic indicators covered. Energy and infrastructure indicators include data on electricity, coal, petroleum & gas, railways, roadways, ports, civil aviation and telecommunications. Socio-economic indicators such as on demographics, household amenities, education, health, employment and crime are covered extensively. States of India also includes statistics on general and assembly elections. And, it contains detailed trends in investments based on CMIE's CapEx database.
