

Cabells Business Collection

Database Guide

Learning Centre
Indian Institute of Management Indore

Introduction

CABELLS

- The searchable Journalytics database includes 18 academic disciplines from more than thirteen thousand international scholarly publications.
- Through partnerships with major academic publishers, journal editors, scholarly societies, accreditation agencies, and other independent databases, Cabells acts as a complete source for journal information, evaluation metrics, and submission details.

Basic Search

- The Search dialog box is available on the home screen with various filter options (highlighted below)

Journal Discovery

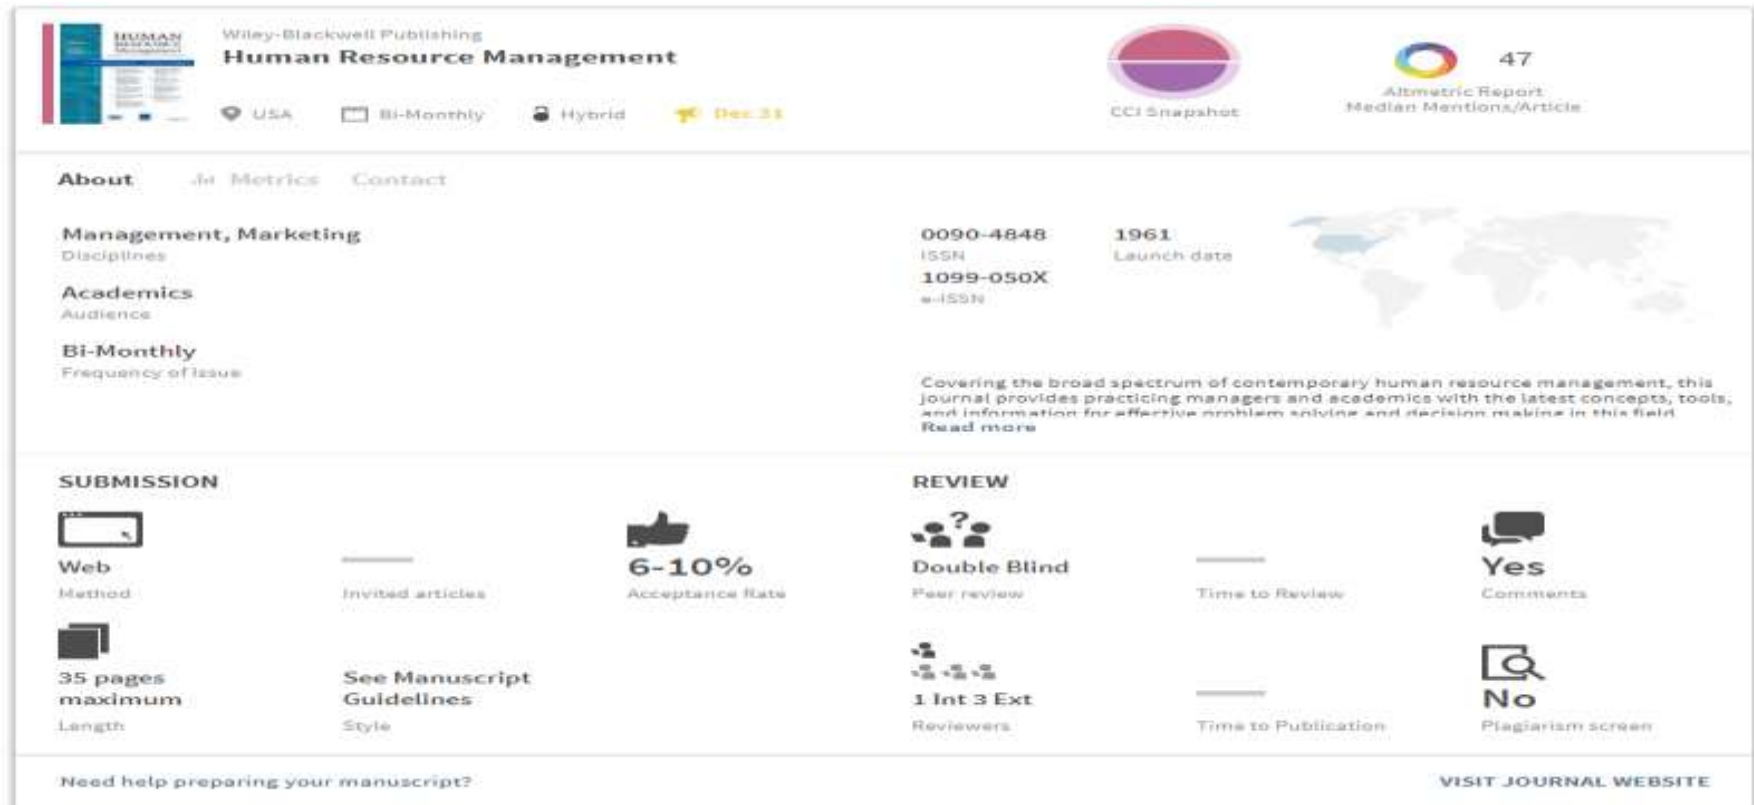

- Journals of various discipline or topics can be found in the disciplines tab.

The screenshot displays the Journal Discovery interface. At the top, a navigation bar includes tabs for 'Disciplines', 'CCI', 'Altmetric Report', 'Peer Review', 'Open Access', 'Call For Papers', and 'More +'. The 'Disciplines' tab is selected and highlighted with a red box. Below this, a dropdown menu is open, showing a search bar and a list of disciplines. The disciplines listed are: All disciplines, Accounting, Economics & Finance, Management, and Marketing. To the right of the disciplines list, a search bar for 'Search topics' is visible, followed by a list of topics including Accounting Education, Accounting Information Systems, Accounting Theory & Practice, Auditing, Behavioral Accounting, Behavioral Economics, Corporate Finance, Cost Accounting, Econometrics, Economic Development, Economic History, Financial Institutions & Markets, Financial Services, Fiscal Policy, and Government & Non-Profit. The main content area on the right shows a list of journals with their respective CCI Snapshots and Altmetric Report Median Mentions/Article counts. The first journal shown is 'AATCC Review' with 8 mentions, and the second is 'AAYAM: AKGIM Journal of' with 2 mentions.

Quality Metrics - CCI

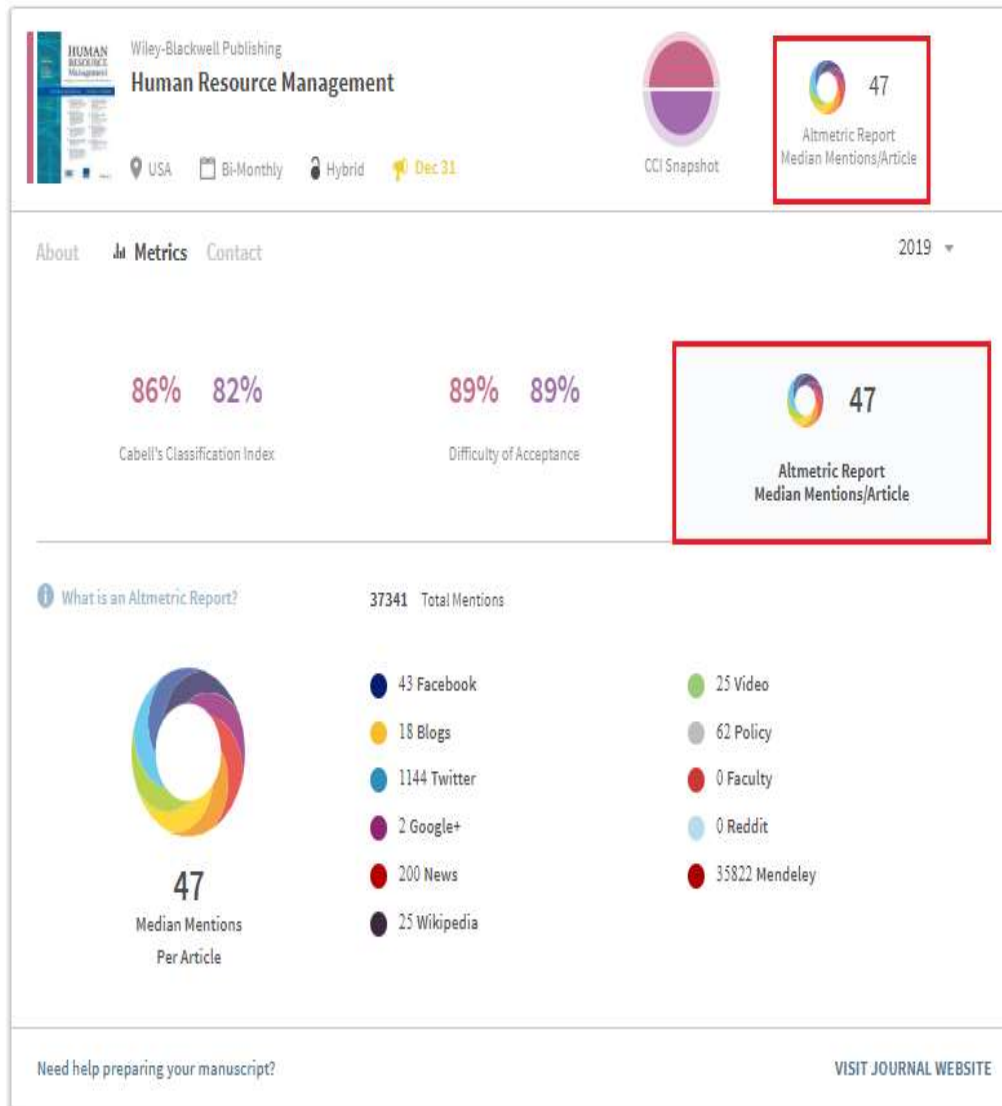

- The CCI that is “Cabell’s Classification Index” is a journal ranking system based on subject. The CCI shows how much influence a journal has in the selected field of study.

Quality Metrics – Acceptance Rate

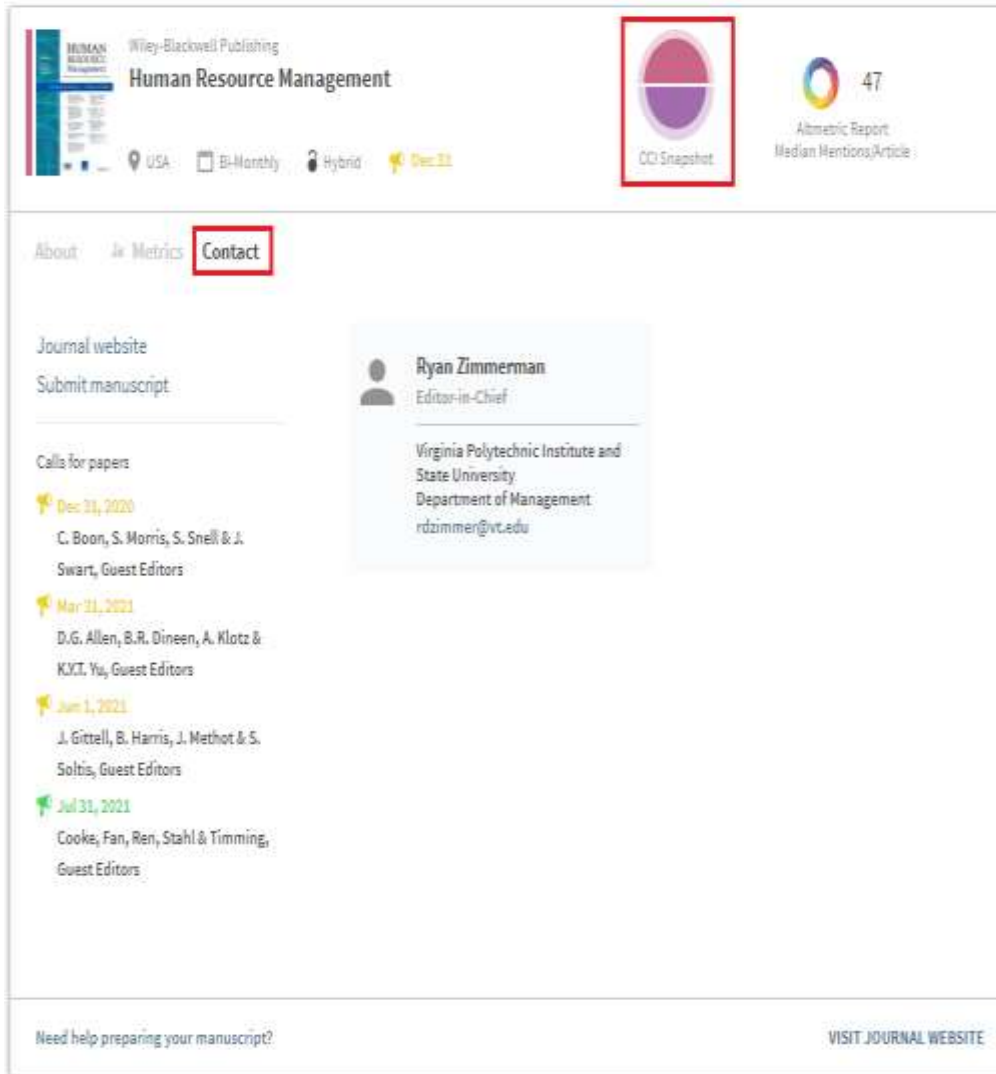

- It provides topic-wise acceptance rates to match the research objectives to journals for the right blend of visibility and selectivity.

Quality Metrics - Altmetric Report

- The Altmetric report is an overview of where and how often articles are mentioned online. It shows how much online attention an 'average article' is getting.

Journal Contact Details

The screenshot displays the journal's homepage for 'Human Resource Management', published by Wiley-Blackwell. The 'Contact' tab is highlighted in the navigation bar. The contact information for Ryan Zimmerman, Editor-in-Chief, is provided, including his affiliation with Virginia Polytechnic Institute and State University, his department, and his email address. A list of guest editors for upcoming issues is also shown.
