

CAPITALINE

New User Registration Guide

Learning Centre
Indian Institute of Management Indore

Introduction

- Capitaline is online database giving financials and other information on more than 35,000 companies, which include listed as well as unlisted companies.
- It provides extensive and accurate data on companies, which runs into over 1500 data fields.
- Capitaline is an indispensable tool for a wide gamut of finance professionals, including fund managers, bankers, analysts and individual investors to conduct in-depth, fundamental and technical analysis.
- Companies are grouped under all major industries from various sectors. A Balance Sheet or P&L can be read with complete schedules or breakups along with different useful tools like; common size, simple growth, CAGR growth, etc.
- The data format has been created and standardized by keeping in mind the accepted norms & practices.

Registration

- To access the database, the user needs to complete the one-time New User Self Registration process.
- Fill in all the details and register using the institutional email ID.
- OTP will be sent on the same registered email ID.
- Only after entering the OTP, registration will be complete.
- In case you did not receive the mail with an OTP, check the Spam folder.
