

RoadsIndia

Registration Process

Learning Centre
Indian Institute of Management Indore

INTRODUCTION AND ACCESS LINK

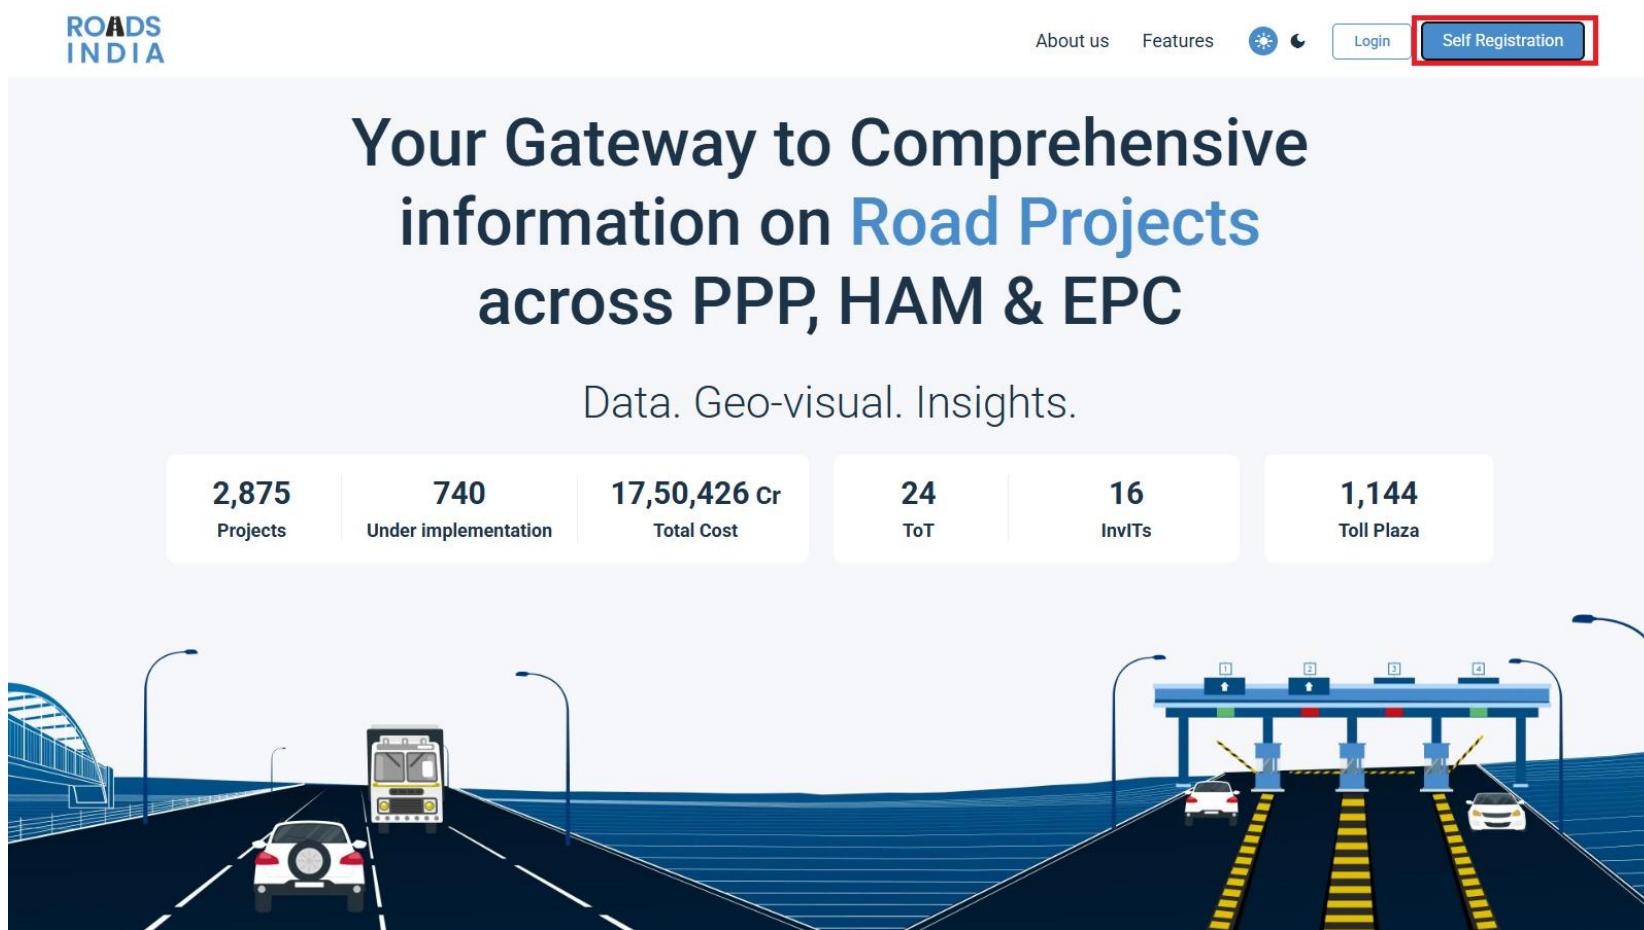

RoadsIndia is one such database product exclusively providing comprehensive information on Roads project across India/All states combined with all information on road projects PPP, HAM, EPC. More importantly, all updated information available can be queried and desired output can be generated. It includes data from April 2010 to Current.

Access URL: <https://roadsindia.co.in/>

Registration Process

- On the landing page, click the self-registration button located at the top right (refer picture).

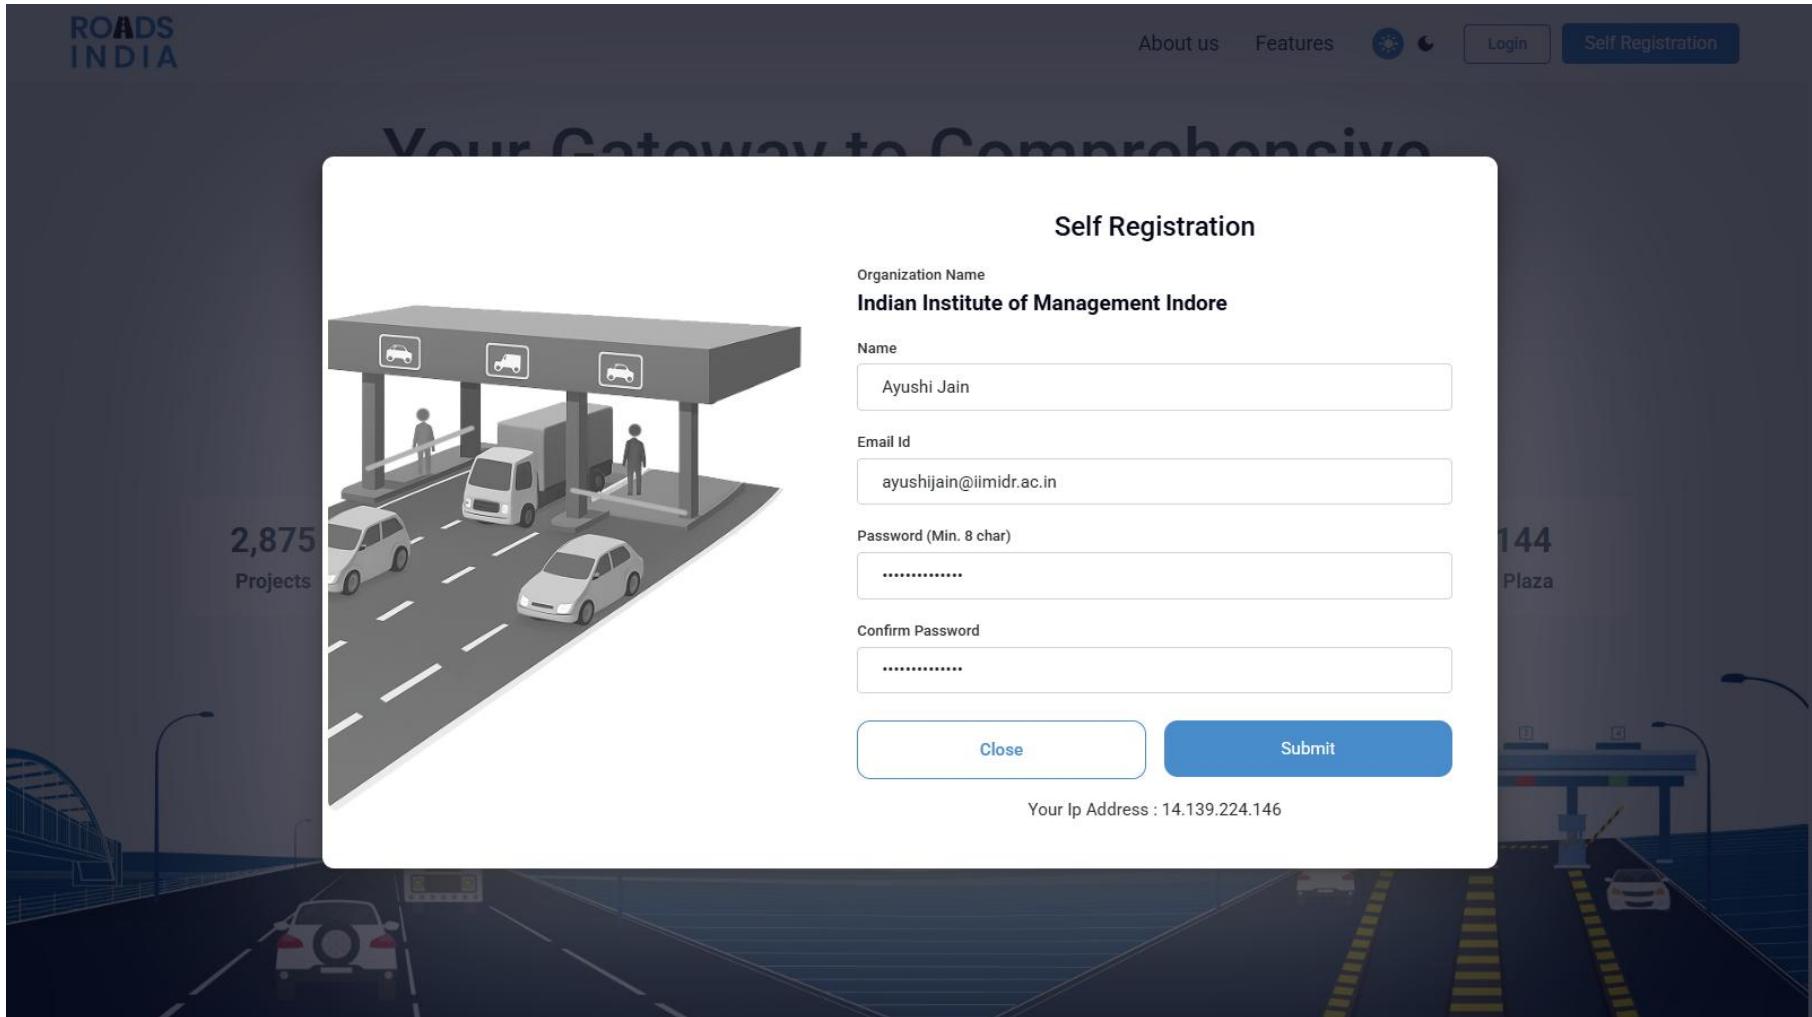

The screenshot shows the homepage of the Roads India website. The top navigation bar includes links for 'About us', 'Features', a dark mode toggle, 'Login', and a 'Self Registration' button, which is highlighted with a red box. The main heading reads: 'Your Gateway to Comprehensive information on Road Projects across PPP, HAM & EPC'. Below the heading is the tagline 'Data. Geo-visual. Insights.' A row of six data cards provides the following information: 2,875 Projects, 740 Under implementation, 17,50,426 cr Total Cost, 24 ToT, 16 InvITs, and 1,144 Toll Plaza. The background features a stylized illustration of a road with a bridge and a toll plaza.

Projects	Under implementation	Total Cost	ToT	InvITs	Toll Plaza
2,875	740	17,50,426 cr	24	16	1,144

Fill user details

- Users can register using their institutional email ID and other required detail and click on submit.
