B. Guidelines for Online Bid Submission Through CPPP

- B.1** It is mandatory for all the applicants to have class II or III digital signature certification from licensed certifying agency like NIC, MTNL, e-mudra, TCS, safescrypt, GNFC etc.
- B.2** Detailed NIT can be viewed free of cost on IIM Indore website under the URL <http://www.iimidr.ac.in/tenders/> . Schedule of quantities (Financial bid form) can be downloaded only from <https://eprocure.gov.in/eprocure/app>. Uploading of tender will be possible only after making payment of EMD.
- B.3** The tender shall be submitted online in the prescribed format before the date and time as mentioned in NIT. No other mode of submission is acceptable.
- B.4** The applicant have to upload the details of e-payment of EMD before the last date & time and download the tender documents form the e-tendering portal <https://eprocure.gov.in/eprocure/app>.
- B.5** Tenderer are advised to upload their documents well in time to avoid last minute rush on the server or complication in uploading. IIM Indore will not be responsible for any type of problem in uploading the documents. No hard copies for tender submission shall be entertained.
- B.6** Online bid documents submitted by intending bidders shall be opened only of those bidders, who has deposited Earnest Money Deposit and other documents scanned and uploaded are found in order.
- B.7** Information and instructions published on the CPP Portal shall form an integral part of the bid document.
- B.8** The bid document consisting of plans, specifications, the schedule of quantities of various types of items to be executed and the set of terms and conditions of the contract to be complied with and other necessary documents can be seen and downloaded from website <https://eprocure.gov.in/eprocure/app> free of cost.
- B.9** Those contractors / vendors not registered on the website mentioned above, are required to get registered beforehand. If needed the intending bidders may get acquainted with the process online from the www.eprocure.gov.in site itself.
- B.10** On opening date, the contractor can login and see the bid opening process. After opening of bids he will receive the competitor bid sheets.
- B.11** Contractor can upload documents in the form of JPG format and PDF format.
- B.12** The price bid format is provided in a spread sheet file like BoQ_price bid.xls, the rates offered should be entered in the allotted space only and uploaded after filling the relevant columns. The Price Bid/BOQ\ template must not be modified/replaced by the bidder; else the bid submitted is liable to be rejected for this tender.
- B.13** Contractor must ensure to quote rate of each item. Therefore, if any cell is left blank and no rate is quoted by the bidder, rate of such item shall be treated as “0” (ZERO) although the item has to be executed as per scope of contract.

- B.14** The technical bid will be opened online first on due date and time as mentioned above. The time and date of opening of financial bid of contractors qualifying the technical bid shall be communicated to them at a later date.
- B.15** Completed Tenders containing technical bid and price bid will be received ONLINE only on CPP Portal website <https://eprocure.gov.in/eprocure/app> at the fixed time and date indicted in the NIT. The Tenderer will be at liberty to be present either in person or through an authorized representative at the time of opening of the Technical Bid with the Bid Acknowledgement Receipt or they can view the bid opening event online at their remote end.
- B.16** If there are any clarifications, this may be obtained online through the tender site, or thro' the contact details. Bidder should take into account the corrigendum published before submitting the bids online.
- B.17** It is construed that the bidder has read all the terms and conditions before submitting their offer. Bidder should go through the tender schedules carefully and upload the documents as asked; otherwise, the bid will be rejected.
- B.18** The bidder has to digitally sign and upload the required bid documents one by one as indicated. Bidders to note that the very act of using DSC for downloading the bids and uploading their offers shall be deemed to be a confirmation that they have read all sections and pages of the bid document including General conditions of contract without any exception and have understood the entire document and are clear about the requirements of the tender requirements.
- B.19** The bidders are requested to submit the bids through online e-tendering system to the Tender Inviting Authority (TIA) well before the bid submission end date & time (as per Server System Clock). The TIA will not be held responsible for any sort of delay or the difficulties faced during the submission of bids online by the bidders at the eleventh hour. Tenderers are advised to upload their documents well in time to avoid last minute rush on the server.
- B.20** The time settings fixed in the server side & displayed at the top of the tender site, will be valid for all actions of requesting, bid submission, bid opening etc., in the e-tender system. The bidders should follow this time during bid submission.

C. Other information and terms & conditions

- C.1 The bid submitted shall become invalid:
- If the bidder is found ineligible.
 - If any of the bidder put his quoted rates (as in financial bid document) in the envelope of Cover-I: Technical Bid.
 - If the documents submitted by the successful bidder does not match with the originals before the award of work.
- C.2 However, certified copy of all the scanned and uploaded documents as specified in NIT shall have to be submitted by the lowest bidder only within a week physically in the office of the “Chief Officer Engineering, Indian Institute of Management Indore, Prabandh Shikhar, Rau - Pithampur Road, Indore 453556 (M.P.).
- C.3 IF ANY INFORMATION FURNISHED by the applicant is found to be incorrect at a later stage, they shall be liable to be debarred from tendering/ taking up works in IIM INDORE.
- C.4 The competent authority on behalf of the Director IIM Indore does not bind itself to accept the lowest or any other bid and reserves to itself the authority to reject any or all the bids received without the assignment of any reason. All bids in which any of the prescribed condition is not fulfilled or any condition including that of conditional rebate is put forth by the bidders shall be summarily rejected.
- C.5 Canvassing whether directly or indirectly, in connection with bidders is strictly prohibited and the bids submitted by the contractors who resort to canvassing will be liable for rejection.
- C.6 The competent authority on behalf of the Director, IIM Indore reserves to himself the right of accepting the whole or any part of the bid and the bidders shall be bound to perform the same at the rate quoted.
- C.7 *The bid for the works shall remain open for acceptance for a period of Ninety (90) days from the date of opening of technical bid.* If any bidders withdraws his bid before the said period or issue of letter of acceptance, whichever is earlier, or makes any modifications in the terms and conditions of the bid which are not acceptable to the department, then the IIM Indore shall, without prejudice to any other right or remedy, be at liberty to suspend the bidder for two years.
- C.8 This notice inviting Bid shall form a part of the contract document. The successful bidders/contractor, on acceptance of his bid by the Accepting Authority shall within 15 days from the stipulated date of start of the work, sign the contract consisting of: -
- The Notice Inviting Bid, all the documents including additional conditions, specifications, General Conditions of Contract and drawings, if any, forming part of the bid as uploaded at the time of invitation of bid and the rates quoted online at the time of submission of bid and acceptance thereof together with any correspondence leading thereto.
 - Any other Standard C.P.W.D. Form /other forms as applicable/ mentioned.
- C.9 **TAXES: -**

- i) The Contractor should get registered under GST and tax as applicable as per the extant order on the subject work shall be paid by the contractor to concerned department. Which will be reimbursed by the Institute as per the recommendation of Finance & Accounts department of the Institute & the same will be final & binding to the contractor.
- ii) The quote should exclude the GST and inclusive of all other taxes applicable for the subject work.
- iii) Labour Welfare cess @ 1 % of gross value of work done shall be recovered from each bill paid to the contractor.
- iv) Income Tax and cess as applicable shall be deducted from bill paid to the contractor.
- v) Contractor should be registered under EPF and as per law, shall pay EPF of contract workers to concerned Department from time to time.
- vi) Any other taxes/cess as per Government directives shall be deducted from each bill paid to the contractor from time to time.

- C.10** The specifications, Terms & Conditions, other regulations which are not herein mentioned will be guided by IIMI First regulation, manual for procurement of works from ministry of finance & department of expenditure of Govt. of India, relevant CPWD guidelines, manual, specifications / BIS / IS/ Other Central / State Govt. norms applicable for IIM Indore & as prescribed by the OEM and the decision in this regard will be guided by the decision of the competent authority of IIM Indore which shall be final and binding to the contractor.
- C.11** Tender documents may be downloaded from IIM Indore's website/ CPPP e-Publishing portal free of cost.
- C.12** Tenders and supporting documents should be uploaded through eProcurement portal i.e. CPPP only. Hard copy of the tender documents will not be accepted.
- C.13** In the event of acceptance of a tender or as per the decision of the competent authority of IIM Indore, the documents submitted by the bidder/ successful bidder shall be verified with the originals before the award of work.
- C.14** On acceptance of the tender, the tenderer has to furnish a bar chart showing work completion schedule and submit it along with the performance security guarantee.
- C.15** The tenderer should not have been blacklisted or debarred by any Central/ State/ Autonomous/ Public Agency during last three financial years. In case blacklisted/ debarred bidder fills/ submits the bid/ being successful in bidding process awarded the job or during the execution of job the fact of being blacklisted/ debarred surfaced then the
- Bid (during the bidding process) will be considered as invalid &
 - During the execution, if surfaced, then the contract will be liable to be terminated

D.

Eligibility Criteria, Evaluation and Selection of Contractor

a. **Minimum Eligibility Criteria:** Prospective bidder should have the following for making oneself eligible for participation in the bidding process (Joint Ventures are not allowed):

1. **Work Experience:** Experience of having successfully completed similar works in any central government department, Central Institutions, PSUs, autonomous bodies, state government bodies, state PSUs, State Universities, Private companies/organisations (having turnover more than 100 crores) during the last five years ending previous day of last day of submission of tenders.

One similar completed work of aggregate cost not less than the amount equal to 80% i.e. Rs. 31,40,305/- of the estimated cost put to tender.

OR

Two similar completed works each costing not less than the amount equal to 60% i.e. Rs. 23,55,229/- of the estimated cost put to tender.

OR

Three similar completed works each costing not less than the amount equal to 40% i.e. Rs. 15,70,152/- of estimated cost put to tender.

Similar works means:

Civil and Electrical Works, including interior works executed in 3-star or higher category hotels and organized food outlets/food courts (such as KFC/ McDonald's/ Domino's Pizza, etc.). The works which had a scope of Floor/wall tiles/ Stones laying, False ceiling, Furniture, lighting etc. will also be considered.

The works involving only painting works shall not be considered.

NOTE:

- All above values shall be excluding GST.
 - The completion certificate issued from clients should indicate the date of commencement, period of completion- stipulated & actual, awarded cost & cost at completion, quality of work done, reason for delay (if any) etc.
 - **If the work experience submitted by the bidder pertains to private Companies, organizations, or firms (i.e., entities other than government departments/organizations), then proof of TDS/tax deducted and a copy of the BOQ of the respective contract shall also be submitted.**
2. **Turnover:** Average annual financial turnover on construction works should be Rs. 20,00,000/- (Rupees Twenty Lakhs Only). The average would be taken is the best of three years among the last five years ending 31st March 2025 (scanned copy of original certificate from CA having UDIN Number to be uploaded)
 3. **Profit/loss:** The bidder should not have incurred any loss (before tax) in more than two years during last five consecutive P&L accounts, duly audited & Certified by Chartered Accountant.

4. **Solvency Certificate:** Solvency of the amount equal to Rs. 15,70,152/- (Rupees Fifteen Lakh Seventy Thousand One Hundred & Fifty-Two Only) of the estimated value from scheduled bank. (Date of issue should be during the period of this tender submission or else the validity period should be mentioned on the Solvency Certificate & this should cover up the tender submission period)
5. **Certificates:** (scanned copy of original certificates to be uploaded)
 - 5.1 PAN (Permanent Account Number)
 - 5.2 GST (Goods & Service Tax) Registration Certificate (in Active status)
 - 5.3 E-payment details towards EMD
6. **Past performance in IIM Indore:** Bidder, whose contract in IIM Indore has been determined/ terminated due to contractor's inability to execute the work, will be disqualified technically even though they may meet the other technical/eligibility criteria.

b. OVERALL EVALUATION PROCESS & SELECTION OF CONTRACTOR:

Bidding Process will be a two-bid system which comprises of technical bid and financial bid. Further the technical bid will be subdivided into two stages namely technical bid stage-1 and technical bid stage-2. The ratio of weightages for cost (financial) and technical score will be 70:30 (Seventy: Thirty) respectively.

The Method of selection will be Quality and Cost Based Selection (QCBS). As is said earlier the Technical bid will be evaluated in two stages, stage-1 will be based on minimum eligibility criteria required in respect of bidder's work experience & credentials whereas technical bid stage - 2 would be based on bidder's organizational structure, staffing, production capacity, quality assurance mechanism in place & local establishment and the same will be evaluated through the presentation submitted by bidder. After that the financial bid will be opened for the qualified bidders of the respective stage only. The weightage would be as follows.

i. Technical Bid

- Stage-1 (Bidder's work experience/ credentials) viz. minimum eligibility based on the criteria given at page 10 of 92 of NIT Document. For this no marks will be allocated towards final evaluation but this will be considered as mandatory for making oneself eligible to participate in the subsequent bidding process.
- Stage-2 (Comprising of bidder's organizational structure, staffing, quality assurance mechanism in place & local establishment): Weightage 30% (based on presentation)

ii. Financial Bid (i.e. cost) =70%

The bidder scoring the highest marks after final evaluation i.e. combined/ composite will be considered for selection of a contractor after due negotiation of cost, if required.

Note:

- i. The broad methodology brief is as follows:

“Proposal with the lowest cost may be given a financial score of 100 (Hundred) and other proposals given financial scores that are inversely proportional to their prices w.r.t. the lowest offer.

Similarly, proposal with the highest technical marks (as allotted by the evaluation committee) shall be given a score of 100 (Hundred) and other proposals be given technical score that are proportional to their marks w.r.t. the highest technical marks. The total score, both technical and financial, shall be obtained by weighing the quality and cost scores and adding them up. On the basis of the combined weighted score for quality and cost, the contractor shall be ranked in terms of the total score obtained. The proposal obtaining the highest total combined score in evaluation of quality and cost will be ranked as H-1 followed by the proposals securing lesser marks as H-2, H-3 and so on. The proposal securing the highest combined marks and ranked H-1 will be invited for negotiations, if required and shall be recommended for award of contract.”

- ii. In the event two or more bids have the same score in final ranking, the bid with highest technical score will be H-1.
- iii. The bidder ranked H-1 shall not automatically be awarded the work and award shall be subject to approval of the competent authority.

c. Details of marking & evaluation methodology:

c.1 TECHNICAL BID (STAGE-1)

The bidder will be shortlisted based on minimum eligibility criteria given at page 10 of 92 of NIT Document. For this no marks will be allocated towards final evaluation but this will be considered as mandatory for participation in the subsequent bidding process.

c.2 Technical bid (STAGE-2)

All those bidders who get qualified in the Evaluation of Technical Bid (stage-1) will be eligible to participate in stage-2. The evaluation in this stage shall be based on presentation submitted by the bidder. The presentation shall be comprising of bidder’s organizational structure, staffing, quality assurance mechanism in place & local establishment for which weightage to be given as 30% towards final evaluation.

The marking shall depend on submitted presentation, presentation before the Committee constituted for the purpose and verification.

Parameter wise marking system is as under for presentation:

- Presentation shall be submitted in PDF attachment during submission of tender. No physical copy of presentation required.
- **Note- After opening of technical bids, If any query /shortfall or observation is sent to the vendor requiring clarification/submission of documents and he/she fails to submit the same within three days (including any non-working day) from the date of raising of query to them then his financial bid will not be opened & no further opportunity will be given.**

Sl. No.	Criteria	Maximum Marks
1	Organisational structure: - The Contractor will submit profiles of Engineer(s) & Architect/Interior designer(s) proposed to be deployed(Total: 03 marks) i. Engineer--1 nos., Architect/Interior designer-- 1nos.—2(two) Marks	03

	<p>ii. More than 2 Engineers and 2 Architects/Interior designer----- 3(Three) Marks</p> <p>Note: (1) In case only Engineer or only Architect/Interior designer is available then only 1 mark will be given. (2) No pro-rata marks will be given for anything between (i) & (ii).</p>	
2	<p>(a) The bidder must have successfully completed Similar works (as defined above), over the last five years (ending previous day of last date of submission of tender) with the following criterion (Total Marks-5):</p> <p>(i) Value of single completed work less than 39 Lakh - zero Marks</p> <p>(ii) Value of single completed work equal to the 39 Lakh - 03 Marks</p> <p>(iii) Value of single completed work double or more of the 78 Lakh - 05 Marks</p> <p>Note: - For value in between (ii) & (iii) marks will be given on pro-rata basis.</p> <p>(b) Project Brief PPT : - 12 Marks (The bidder will submit a Project brief Presentation containing methodology of execution as per site conditions, Monitoring methodology, quality assurance system to be adopted by them, brief Program chart containing activities from start to finish, details of engineers & Architect/Engineers proposed for deployment at this work (duly supported by documents) & details of any other similar works executed for any other organisation.</p> <p>(c) Experience of Interior works executed in 3-star or higher category hotels and organized food outlets/food courts (such as KFC/ McDonald's/ Domino's Pizza, etc.)—[1 marks]</p>	18
3	<p>Company's financials and plants & Machinery as per below:</p> <p>(i) Company's Financial Strength: Average Annual Financial Turnover of best of three years among the last five years ending 31st March 2025 (Total 05 Marks):</p> <p>(ii) 04 Marks for equal to the Rs. 39 Lakh</p> <p>(iii) 05 Marks for Rs. 78 Lakh or more</p> <p>Note: - For value in between (a) & (b) marks will be given on pro-rata basis. For value(s) less than 39 lakhs zero marks will be given.</p> <p>(iv) Solvency Certificate (Total 03 Marks):</p> <p>(v) 02 Marks for equal to the 39 lakhs</p>	09

		(vi) 03 Marks for 78 lakhs Note: - For value in between (a) & (b) marks will be given on pro-rata basis. For value less than Rs. 39 lakhs zero marks will be given. (vii) Plants & Machinery: 01 marks (Proof of having the plants & machinery also to be attached, duly certified by Chartered Accountant.)	
Total Marks			30

c.3 Financial bid: The weightage of marks scored in the financial bid shall contribute 70% towards the final evaluation.

F. General Instructions to Tenderers

1. Scope of work:

1.1 General Scope

The scope of work under this contract shall include redevelopment of SR-10 Food Court, covering civil, electrical, furnishing, and associated works, executed in accordance with approved drawings, specifications, and directions of the Engineer-in-Charge.

The work shall be carried out on a design-coordinated and fully finished basis, ensuring functionality, durability, and aesthetic enhancement of the food court.

1.2 Coverage (Implied Scope Clause)

The scope of work shall be deemed to include **all activities, materials, labour, tools, equipment, consumables, coordination, and services necessary for complete and functional execution**, whether or not expressly specified in the BOQ, drawings, or specifications.

This includes all works required to meet:

- Performance requirements
- Functional usability
- Safety standards
- Aesthetic requirements
- Quality benchmarks

as directed by the **Engineer-in-Charge (EIC)**.

This implied scope shall not be interpreted as permitting any change in the nature or character of the work, but shall strictly apply to achieving a complete, safe, and operational facility.

1.3 Detailed Scope Components

a. Dismantling & Removal Works

Carefully dismantling of:

- Existing floor tiles and base layers
- Damaged / obsolete electrical fixtures
- Removal of debris from site and disposal at approved locations
- Stacking and handing over of serviceable materials to the Institute

b. Flooring Works

- Removal of existing flooring including:
Base preparation and levelling
Providing and laying of new floor tiles including:
Anti-skid / heavy-duty tiles (as per approved specifications)

- Proper bedding, joint filling, and finishing
- Ensuring:
 - Proper slope for drainage
 - Alignment and uniformity

c. Electrical & Lighting Works

- Supply, installation, testing, and commissioning of:
 - New LED lighting fixtures
 - Wiring, conduits, and accessories
- Replacement / modification of:
 - Existing electrical circuits as required
- Providing additional:
 - Power points
 - Switches and distribution arrangements
 - Ensuring compliance with relevant electrical safety standards
 - Earthing continuity and safety compliance
 - Testing and commissioning

d. Furniture Works

- Supply and installation of new furniture including:
 - Dining tables
 - Chairs / seating units
 - Fixed seating (if applicable)
- Furniture shall be:
 - Durable, easy to maintain, and suitable for high usage areas
 - As per approved design, material, and finish

e. Entrance Canopy (Umbrella Type)

- Design, supply, fabrication, and installation of:
 - Umbrella canopy structure at the entrance

Sub: NIT No. IIMI/Estate/10/2026/273 File No. 597 for the work of “Redevelopment of SR-10 Food Court at IIM Indore.”

Dear Sir,

It is here by declared that IIM Indore is committed to follow the principle of transparency, equity and competitiveness in public procurement. The subject Notice Inviting Tender (NIT) is an invitation to offer made on the condition that the Bidder will sign the integrity Agreement, which is an integral part of tender/bid documents, failing which the tenderer/bidder will stand disqualified from the tendering process, and the bid of the bidder would be summarily rejected.

This declaration shall form part and parcel of the Integrity Agreement and signing of the same shall be deemed as acceptance and signing of the Integrity Agreement on behalf of the IIM Indore.

Yours faithfully

Chief Officer Engineering

INTEGRITY AGREEMENT

This Integrity Agreement is made at on this day of 2026
BETWEEN

The Director, IIM Indore represented through Chief Officer Engineering, IIM Indore, (Hereinafter referred as the IIM Indore, Prabandh Shikhar, Rau-Pithampur Road, Indore “Principal/Owner”, which expression shall unless repugnant to the meaning or context hereof include its successors and permitted assigns)

AND

.....
..... (Name and Address of the Individual/ firm/ Company)

Through
(Hereinafter referred to as the (Details of duly authorized signatory) “Bidder/Contractor” and which expression shall unless repugnant to the meaning or context hereof include its successors and permitted assigns)

Preamble

WHEREAS the Principal / Owner has floated the Tender IIMI/Estate/10/2026/273 File No. 597 (hereinafter referred to as “Tender/Bid”) and intends to award, under laid down organizational procedure, contract for “Redevelopment of SR-10 Food Court at IIM Indore”. hereinafter referred to as the “Contract”.

AND WHEREAS the Principal/Owner values full compliance with all relevant laws of the land, rules, regulations, economic use of resources and of fairness/transparency in its relationship with its Bidder(s) and Contractor(s).

AND WHEREAS to meet the purpose aforesaid both the parties have agreed to enter into this Integrity Agreement (hereinafter referred to as “Integrity Pact” or “Pact”),

the terms and conditions of which shall also be read as integral part and parcel of the Tender/Bid documents and Contract between the parties.

NOW, THEREFORE, in consideration of mutual covenants contained in this Pact, the parties hereby agree as follows and this Pact witnesses as under:

Article 1: Commitment of the Principal/Owner

(1) The Principal/Owner commits itself to take all measures necessary to prevent corruption and to observe the following principles:

(a) No employee of the Principal/Owner, personally or through any of his/her family members, will in connection with the Tender, or the execution of the Contract, demand, take a promise for or accept, for self or third person, any material or immaterial benefit which the person is not legally entitled to.

(b) The Principal/Owner will, during the Tender process, treat all Bidder(s) with equity and reason. The Principal/Owner will, in particular, before and during the Tender process, provide to all Bidder(s) the same information and will not provide to any Bidder(s) confidential / additional information through which the Bidder(s) could obtain an advantage in relation to the Tender process or the Contract execution.

(c) The Principal/Owner shall endeavour to exclude from the Tender process any person, whose conduct in the past has been of biased nature.

(2) If the Principal/Owner obtains information on the conduct of any of its employees which is a criminal offence under the Indian Penal code (IPC)/Prevention of Corruption Act, 1988 (PC Act) or is in violation of the principles herein mentioned or if there be a substantive suspicion in this regard, the Principal/Owner will inform the Chief Vigilance Officer and in addition can also initiate disciplinary actions as per its internal laid down policies and procedures.

Article 2: Commitment of the Bidder(s)/Contractor(s)

(1) It is required that each Bidder/Contractor (including their respective officers, employees and agents) adhere to the highest ethical standards, and report to the IIM Indore / Department all suspected acts of fraud or corruption or Coercion or Collusion of which it has knowledge or becomes aware, during the tendering process and throughout the negotiation or award of a contract.

(2) The Bidder(s)/Contractor(s) commits himself to take all measures necessary to prevent corruption. He commits himself to observe the following principles during his participation in the Tender process and during the Contract execution:

(a) The Bidder(s)/Contractor(s) will not, directly or through any other person or firm, offer, promise or give to any of the Principal/Owner's employees involved in the Tender process or execution of the Contract or to any third person any material or other benefit which he/she is not legally entitled to, in order to obtain in

exchange any advantage of any kind whatsoever during the Tender process or during the execution of the Contract.

(b) The Bidder(s)/Contractor(s) will not enter with other Bidder(s) into any undisclosed agreement or understanding, whether formal or informal. This applies in particular to prices, specifications, certifications, subsidiary contracts, submission or non-submission of bids or any other actions to restrict competitiveness or to cartelize in the bidding process.

(c) The Bidder(s)/Contractor(s) will not commit any offence under the relevant IPC/PC Act. Further the Bidder(s)/Contractor(s) will not use improperly, (for the purpose of competition or personal gain), or pass on to others, any information or documents provided by the Principal/Owner as part of the business relationship, regarding plans, technical proposals and business details, including information contained or transmitted electronically. (d) The Bidder(s)/Contractor(s) of foreign origin shall disclose the names and addresses of agents/representatives in India, if any. Similarly, Bidder(s)/Contractor(s) of Indian Nationality shall disclose names and addresses of foreign agents/representatives, if any. Either the Indian agent on behalf of the foreign principal or the foreign principal directly could bid in a tender but not both. Further, in cases where an agent participates in a tender on behalf of one manufacturer, he shall not be allowed to quote on behalf of another manufacturer along with the first manufacturer in a subsequent/parallel tender for the same item.

(d) The Bidder(s)/Contractor(s) will, when presenting his bid, disclose any and all payments he has made, is committed to or intends to make to agents, brokers or any other intermediaries in connection with the award of the Contract.

(3) The Bidder(s)/Contractor(s) will not instigate third persons to commit offences outlined above or be an accessory to such offences.

(4) The Bidder(s)/Contractor(s) will not, directly or through any other person or firm indulge in fraudulent practice means a wilful misrepresentation or omission of facts or submission of fake/forged documents in order to induce public official to act in reliance thereof, with the purpose of obtaining unjust advantage by or causing damage to justified interest of others and/or to influence the procurement process to the detriment of the IIM Indore interests.

(5) The Bidder(s)/Contractor(s) will not, directly or through any other person or firm use Coercive Practices (means the act of obtaining something, compelling an action or influencing a decision through intimidation, threat or the use of force directly or indirectly, where potential or actual injury may befall upon a person, his/her reputation or property to influence their participation in the tendering process).

Article 3: Consequences of Breach

Without prejudice to any rights that may be available to the Principal/Owner under law or the Contract or its established policies and laid down procedures, the Principal/Owner shall have the following rights in case of breach of this Integrity Pact by the Bidder(s)/Contractor(s) and the Bidder/ Contractor accepts and undertakes to respect and uphold the Principal/Owner's absolute right:

(1) If the Bidder(s)/Contractor(s), either before award or during execution of Contract has committed a transgression through a violation of Article 2 above or in any other form, such as to put his reliability or credibility in question, the Principal/Owner after giving 14 days' notice to the contractor shall have powers to disqualify the Bidder(s)/Contractor(s) from the Tender process or terminate/determine the Contract, if already executed or exclude the Bidder/Contractor from future contract award processes. The imposition and duration of the exclusion will be determined by the severity of transgression and determined by the Principal/Owner. Such exclusion may be forever or for a limited period as decided by the Principal/Owner.

(2) Forfeiture of EMD/Performance Guarantee/Security Deposit: If the Principal/Owner has disqualified the Bidder(s) from the Tender process prior to the award of the Contract or terminated/determined the Contract or has accrued the right to terminate/determine the Contract according to Article 3(1), the Principal/Owner apart from exercising any legal rights that may have accrued to the Principal/Owner, may in its considered opinion forfeit the entire amount of Earnest Money Deposit, Performance Guarantee and Security Deposit of the Bidder/Contractor.

(3) Criminal Liability: If the Principal/Owner obtains knowledge of conduct of a Bidder or Contractor, or of an employee or a representative or an associate of a Bidder or Contractor which constitutes corruption within the meaning of IPC Act, or if the Principal/Owner has substantive suspicion in this regard, the Principal/Owner will inform the same to law enforcing agencies for further investigation.

Article 4: Previous Transgression

(1) The Bidder declares that no previous transgressions occurred in the last 5 years with any other Company in any country confirming to the anticorruption approach or with Central Government or State Government or any other Central/State Public Sector Enterprises in India that could justify his exclusion from the Tender process.

(2) If the Bidder makes incorrect statement on this subject, he can be disqualified from the Tender process or action can be taken for banning of business dealings/ holiday listing of the Bidder/Contractor as deemed fit by the Principal/ Owner.

(3) If the Bidder/Contractor can prove that he has resorted / recouped the damage caused by him and has installed a suitable corruption prevention system, the Principal/Owner may, at its own discretion, revoke the exclusion prematurely.

Article 5: Equal Treatment of all Bidders/Contractors/Subcontractors

- (1) The Bidder(s)/Contractor(s) undertake(s) to demand from all subcontractors a commitment in conformity with this Integrity Pact. The Bidder/Contractor shall be responsible for any violation(s) of the principles laid down in this agreement/Pact by any of its Subcontractors/sub-vendors.
- (2) The Principal/Owner will enter into Pacts on identical terms as this one with all Bidders and Contractors.
- (3) The Principal/Owner will disqualify Bidders, who do not submit, the duly signed Pact between the Principal/ Owner and the bidder, along with the Tender or violate its provisions at any stage of the Tender process, from the Tender process.

Article 6- Duration of the Pact

This Pact begins when both the parties have legally signed it. It expires for the Contractor/Vendor 12 months after the completion of work under the contract or till the continuation of defect liability period, whichever is more and for all other bidders, till the Contract has been awarded. If any claim is made/lodged during the time, the same shall be binding and continue to be valid despite the lapse of this Pacts as specified above, unless it is discharged/determined by the Competent Authority, IIM Indore.

Article 7- Other Provisions

- (1) This Pact is subject to Indian Law, place of performance and jurisdiction is the Headquarters of the Division of the Principal/Owner, who has floated the Tender.
- (2) Changes and supplements need to be made in writing. Side agreements have not been made.
- (3) If the Contractor is a partnership or a consortium, this Pact must be signed by all the partners or by one or more partner holding power of attorney signed by all partners and consortium members. In case of a Company, the Pact must be signed by a representative duly authorized by board resolution.
- (4) Should one or several provisions of this Pact turn out to be invalid; the remainder of this Pact remains valid. In this case, the parties will strive to come to an agreement to their original intentions.
- (5) It is agreed term and condition that any dispute or difference arising between the parties with regard to the terms of this Integrity Agreement / Pact, any action taken by the Owner/Principal in accordance with this Integrity Agreement/ Pact or interpretation thereof shall not be subject to arbitration.

Article 8- LEGAL AND PRIOR RIGHTS

All rights and remedies of the parties hereto shall be in addition to all the other legal rights and remedies belonging to such parties under the Contract and/or law and the same shall be deemed to be cumulative and not alternative to such legal rights and remedies aforesaid. For the sake of brevity, both the Parties agree that

this Integrity Pact will have precedence over the Tender/Contact documents with regard any of the provisions covered under this Integrity Pact.

IN WITNESS WHEREOF the parties have signed and executed this Integrity Pact at the place and date first above mentioned in the presence of following witnesses:

Format for Agreement

THIS AGREEMENT made at Indore on the ____ day of _____ 2026 between **Indian Institute of Management Indore Rau- Pithampur Road, Indore** (hereinafter called "**The IIM INDORE**" which expression shall, unless repugnant to the context or meaning thereof, include its administrators, successors and assigns) of the one part AND _____

_____ (herein after called "**The Contractor**" which expression shall, unless repugnant to the context or meaning thereof, include its successors and permitted assigns) of the other part.

WHEREAS

The IIM INDORE is desirous of carrying out the work of "**Redevelopment of SR-10 Food Court at IIM Indore**" issued vide NIT No.: IIMI/Estate/10/2026/273 File No. 597

The Works are to be executed as per the scope of work, technical specifications, drawings etc. as is mentioned in the tender document for tendered rate amounting to Rs. _____.

The Contractor has agreed to execute the said works subject to the provisions hereinafter contained and subject also to General Conditions of Contract, Special conditions of contract, Safety Code, Model Rules for the protection of health and other arrangements for workers, Specifications, Preambles and Schedule of Quantities and erection & furnishing schedule (all of which are hereinafter collectively referred to as the 'said tender conditions') and strictly in accordance with the Scope of work annexed hereto at or for the respective rates set out in the Schedule of Quantities amounting to the sum as there under arrived at or such other sums as shall become payable there under (hereinafter referred to as the said tendered amount).

NOW IT IS HEREBY AGREED AS FOLLOWS: -

1. In consideration of the said tender amount to be paid by The IIM INDORE to the Contractor at the time and in the manner set forth in the said tender conditions and in accordance with the Schedule of Payments to execute and complete the work shown upon the said Drawings strictly in accordance with the specifications and Schedule of Quantities.
2. The said tender conditions, scope of work and the annexure-1 hereto shall be read and considered as forming part of this contract and the parties hereto shall

respectfully abide by the said conditions and perform the agreement on their part respectively contained in the said conditions.

3. The approved drawings, if any, notice inviting tenders' technical specifications etc. shall also form the basis of this contract.
4. This contract is neither a Lump sum Contract, nor a piece work contract, but is a contract on item rate basis to be carried out and to be paid for according to the Schedule of Payments at the rates contained in the Schedule of Quantities.
5. The contract herein contained shall comprise not only the works mentioned above but all subsidiary works connected therewith within the same site as may be ordered to be done from time to time by the said Engineer-in-Charge for the time being, even if such work may not be shown on the said Drawings or described in the said Specifications and Schedule of Quantities.
6. The IIM INDORE reserves to themselves the right to alter the drawings and the nature of the work by adding to or omitting from the scope of work any item of work or portions of the same without prejudice to this contract.
7. Time shall be considered as the essence of this contract, and the Contractor hereby agrees to commence the work as mentioned in LOI/ work order and shall complete the entire work within the stipulated time limit.
8. All payments by the IIM INDORE under this contract shall be made only at Indore.
9. All disputes arising out of or in any way connected with this contract shall be deemed to have arisen in respect of IIM Indore and Director IIM Indore only shall have jurisdiction to determine the same.
10. That the contract and several parts of this contract have been read by the contractor and fully understood by him. The contractor shall not be entitled for payment beyond tendered quantities unless ordered specifically by written instructions of the Engineer-in-Charge IIM INDORE.
11. This contract shall be signed in duplicate, the original whereof shall be kept in the custody of the IIM INDORE and the duplicate with the Contractor.
12. The Engineer-in-Charge may, without prejudice to his any other right or remedy against the contractor in respect of any delay, non-commencement, inferior workmanship, any claim for damages and/ or any other provisions of this contract or otherwise, and whether the date for completion has or has not elapsed, by notice in writing determine/ repudiate the contract.

IN WITNESS WHEREOF the IIM INDORE has set his hands hereunto and duplicate hereof through his duly authorized official and the Contractor has caused these

presents and duplicate hereof under his common seal by his duly authorized representative at the place and on the date month and year first herein above written.

1. The tenderer shall acquaint himself with the proposed site of work.
2. If for any reasons, any part of the site is not available temporarily for some time for part of the work under the contract, the agreed construction schedule shall be suitably modified and contractor shall diligently divert his men and materials to utilize them appropriately, profitably and no claim of damages whatsoever shall be entertained on this account. However, the contractor shall be allowed extension of time for completing the work as deemed fit by the competent authority. The contractor shall also not be entitled to any compensation for any loss suffered by him and revision in the rates quoted by him.
 - (a) On account of delay in commencing the work by the contractor.
 - (b) On account of reduction in the scope of work.
 - (c) On account of suspension of work or abandoned after award of work.
3. On account of security consideration, some restrictions may be imposed by the security staff on the working and/ movement of men and materials etc. The contractor shall be bound to follow all such restrictions/ instructions, and he shall organise his work accordingly. No claim on this account, whatsoever, shall be payable.
4. The contractor shall take all precautions to avoid accidents by exhibiting necessary caution boards day and night, speed limit boards, red flags, red lights and providing barriers. He shall be responsible for all damages and accidents caused to existing/ new work due to negligence on his part. No hindrance shall be caused to traffic during the execution of the work.
5. The contractor shall be responsible for the watch and ward of all materials brought by the contractor to site against pilferage and breakage during the period of installation and thereafter till the works are physically handed over to the department.
6. The contractor shall take all preventive measures against any damage caused by rain, snowfall, floods or any other natural calamity, whatsoever during the execution of the work. The contractor shall be fully responsible for any damage to the Owners property and to the work for which the payment has been advanced to him under the contract. However, the contractor shall maintain an equal to the payment received against the work done, at his own cost. This will also cover the defect liability period. This shall be favouring the Director, Indian Institute of Management Indore. Nothing extra on this account shall be payable to the contractor for maintaining such insurance, Policy.
7. The work will be carried out in the manner complying, in all respects, with the requirements of relevant byelaws of the local body under the jurisdiction of which the work is to be executed or as directed by the Engineer-in-Charge and nothing extra shall be paid on this account.

8. The contractor shall comply with proper and legal orders and directions of the local or public authority or municipality and abide by their rules and regulations and pay all fees and charges which may be liable.
9. The contractor shall give due notices to Municipal, Police and/or other authorities that may be required under the law/rules under force in the area and obtain all requisite licenses for temporary obstructions / enclosures and pay all charges which may be leviable on account of his execution of work under the agreement. Nothing extra shall be payable on this account.
10. All materials to be incorporated in the work shall be arranged by the contractor and shall be in accordance with the specifications laid down.
11. The tenderer shall use materials bearing ISI Certification Mark unless otherwise specified or allowed in writing by the Engineer-in-Charge. Any material banned by the department shall not be used in the work.
12. The contractor shall submit to the Engineer-in-Charge samples of all materials for approval. Such samples of materials which affect aesthetics of the work shall also be got approved from the Engineer-in-Charge of the project before procuring bulk supplies. These approved samples shall be preserved and retained in the custody of the Engineer-in-Charge as standards of materials till the completion of the work. The cost of such samples shall be borne by the Contractor, and nothing shall be payable on this account over the Agreement rates.
13. The contractor shall be required to get all the necessary mandatory and other tests as per the specifications/ IS codes, carried out on materials/ work from an approved laboratory as per the direction of the Engineer-in-Charge. The testing charges and conveyance from the site shall be borne by the contractor.
14. In case any material / work is found sub-standard the same shall be rejected by the Engineer-in-Charge/ Architect representative and the same shall be removed from the site of work within 48 hours, failing which the same shall be got removed by the Engineer-in-Charge at the risk and cost of the contractor without giving any further notice and time.
15. In order to ensure quality of work during its execution, the Engineer-in-Charge representative may require samples for mandatory or routine testing of materials. All costs of these samples, their packaging, conveyance from the site to the testing laboratory and return, shall be borne by the contractor.
16. Even ISI marked materials may be subjected to quality test at the discretion of the Engineer-in-Charge/ Architect. Whenever ISI marked, materials are brought to the site of work the contractor shall, if required by the Engineer-in-Charge/ Architect, furnish manufacturer's test certificate or test certificate from approved testing laboratory to establish that the materials procured by the contractor, satisfy the provisions of relevant ISI codes. The testing charges shall be borne by the contractor. However, cement/steel will be necessarily tested before start of work and also during the execution of work as per the requirements of specifications and will not be used till test certificates are obtained and approved by Engineer-in-Charge/ Architect.
17. The contractor shall supply free of charge the material required for testing. The cost of tests shall be borne by the contractor.

18. The work shall be executed and measured in metric system. The metric dimensions given in the schedule of quantities and drawing etc. shall be followed. (The dimension in FPS units wherever indicated are for guidance only) The figures in the drawings shall be followed.
19. The contractor shall be responsible for completing the work and for satisfying all terms and conditions of the Contract without any extra payment over his quoted rates unless otherwise specified. The contractor shall quote his rate for various items of work accordingly and no claim whatsoever shall be entertained for any incidental or extra work involved in the execution of the work as per nomenclature of the item and the specifications indicated in the tender documents.
20. Subject to the nomenclature of the item as per schedule of quantities, the specification indicated in the tender documents, the rates quoted shall include cost of all materials including royalty and taxes if any, labour, sundry inputs, execution of work at all heights, levels, pattern and design for all leads, lifts and depths including overhead charges and contractor's profit. Nothing extra shall be paid on this account.
21. The rates shall be inclusive of making any holes in walls/ RCC work for fixing any fixture/ framework and making good the structure to its original shape and finish.
22. The contractor shall continue to maintain watch and ward to safeguard the Owner's property in his possession until the same is formally handed over as per directions of the Engineer-in-Charge. Nothing extra over agreement rates shall be paid on this account.
23. The quantities of various items incorporated in the tender are approximate. However, the payments shall be made to the contractors on the basis of actual measurements taken at site.
24. The contractor shall protect the adjoining buildings or works and the work under execution from fire and shall make adequate arrangements for fire protection and firefighting and if any property is damaged, by fire due to the negligence of the contractor, the same shall be made good by the contractor at his own cost, to the entire satisfaction of Engineer-in-Charge.
25. The contractor shall provide adequate lighting arrangements as approved by the Engineer-in-Charge for carrying out the work during nighttime, if so required and also provide all other facilities for the labour employed to carry out the work as per direction of Engineer-in-Charge.
26. In order to achieve the targeted date of completion the contractor may have to work in multiple shifts, round the clock including public and gazetted holidays and nothing extra shall be paid on this account.
27. The contractor shall get the samples of all the materials to be used, in the work approved from Engineer-in-Charge before going for bulk procurement. Bulk procurement shall be taken up only after obtaining approval from the Engineer-in-Charge. Any delay in getting the samples approved shall be contractor's responsibility.
28. All materials, articles and workmanship shall be of respective best quality and kind for the class described in the schedule of quantities and specifications.

All materials, so used in different items of work shall be subject to the approval of the Engineer-in-Charge and Architect.

29. The contractor shall be responsible for all statutory provisions and deductions towards ESI, PF or any other, as the case may be or any other levies and taxes shall be borne by the contractors. The TDS and Contract Tax or any other statutory levels/taxes incorporated from time to time shall be deducted progressively from the running account bills, as applicable at the time of payment. No claim in this regard shall be entertained.
30. The contractor is supposed to abide the minimum wages act and shall produce all records to the Engineer-in-Charge or any other statutory authority as and when called for. The Engineer-in-Charge does not hold any responsibility on account of any lapses in this regard.
31. No extension of time shall be granted to the contractor on account of rains or inclement weather conditions.
 - (a) For any clarification/ doubt/Review meeting, the Institute may organize meetings with the Contractor & he will have to attend such meetings physically. However, Engineer-in-Charge reserve the right to allow online meetings at the request of contractor if found justified and decision of Engineer-in-Charge in this regard shall be final and binding. The contractor shall attend such meetings invariably as and when required.
 - (b) In respect of the work of other agencies, where the commencement or progress of such work of any other agency is dependent upon the completion of particular portions of the contractor's work or generally upon the contractor maintaining progress in accordance with the approved coordinated construction programme, it shall be the responsibility of the Contractor to complete such portions and maintain such progress.
 - (c) Should any difference arise between the contractor and the other agencies, these shall immediately be brought to the attention of the Engineer-in-Charge who after reviewing the matters causing the differences will give their decision which shall be final and binding on the contractor.
32. All spaces allotted to the contractor as described above shall be vacated and all structures removed from site at any time as and when required and directed by the Engineer-in-Charge, unconditionally and without any reservation. The Engineer-in-Charge will not be obliged to give any reason for such removal. Upon receiving instructions to vacate the space, the contractor shall immediately remove all his structures, materials, etc. from the sources and clear and clean-up the site to the satisfaction of the Engineer-in-Charge.
33. It shall be the responsibility of the Contractor to safeguard the site and ensure that no illegal encroachments are made by outside elements within the area allotted to the contractor. Upon completion of the work or earlier as required by Engineer-in-Charge, the contractor shall vacate the land totally without any reservation.
34. The contractor will arrange to erect, at his own cost, barbed wire or other appropriate fence around the infrastructure site, with entry/exit gates at

suitable points. The contractor shall, at his own cost, provide and erect suitable fencing around the spaces allotted to him at the infrastructure sites to ensure the security of his men. Materials and equipment within the sites and in relation to other contractors who will also be allotted spaces at above sites.

35. The security of workmen, materials, equipment stores etc. within the area allotted to the contractor shall be the responsibility of the contractor.
36. The site of work shall have required equipment's for various tests at site by the contractor at his own cost and nothing extra shall be payable on this account.
37. The quantities indicated are for guidance only however it may vary to any extent and the contractor should not have any financial or other implications for such variations. The owner reserves to reduce the scope of work of any item if the contractor fails to deliver the works in time and the contractor shall not ask for any financial consideration for such deletion of scope of the work.
38. The contractor shall take photographs of site prior to commencement of work, during construction and after completion of work as suggested and shall submit the photographs in soft and hard copies to IIM for which no extra payment will be made.
39. If required and directed by Engineer-in-Charge, contractor shall arrange visits of his personnel comprising of Engineer-in-Charges to various places/ plants in or outside Indore to check and verify the quality of material at manufacturer's places. No extra cost shall be given for this to contractor.
40. Proforma of Registers to be as per standard CPWD formats.
41. Any debris/ dismantled unserviceable material generated at site shall be disposed off by the contractor in the area earmarked by Indore Municipal Corporation No payment shall be made towards the transportation & statutory fees, if any of IMC.
42. Stamp Duty:
 - a. Stamp (wherever mentioned in the tender/ not mentioned but required legally), stamp duty will generally be following the Indian Stamp Act, 1899 (as applicable to Madhya Pradesh).
 - b. For the contract, the stamp duty shall be as per the Indian Stamp Act, 1899 (as applicable to Madhya Pradesh). Any revision, if made by the govt. will be applicable at the time of execution of the agreements.
 - c. The cost w.r.t. stamp duty will solely be with the bidder i.e. cost to be borne by successful bidder.
43. **Electricity and water charges: -**
 - a. **The vendor shall install Three phase energy meter in each hostel and recovery of electricity used will be made @ Rs.8.68/unit.**
 - b. **The water charges shall be recovered @ Rs.2500/- on monthly basis.**

O. Technical Specifications & Approved Makes

1. General

The specifications of the items will be guided by the respective specifications (if not truly matching then similar item) laid down in the CPWD specification in case of items relates to the DSR item & For Non-DSR items it will be guided by the item description along with the direction of Engineer-in-Charge. Institute reserves the right to specify the makes in order to ensure best quality material in the interest of the work & institute.

2. List Of Approved Make / Materials in Order of Civil

S.No	Materials	Manufacturer/ Brand Name
1	Cement	Ambuja / UltraTech / ACC as approved by the Engineer-in-Charge.
2	Putty	Birla / JK as approved by the Engineer-in-Charge.
3	Any Other Materials	As approved by Engineer-in-Charge.
4	Paint	Asian paint royal luxury range / deluxe diamond glow luxury
5	Wiring/Cable	Polycab/Finolex , All FRLSH grade, as approved by the Engineer-in-Charge.
6	Tiles	As per BOQ
7	Furniture items	As per BOQ
8	MDF/pre-laminated board/ Plywood/ laminates etc	Greenlam/Century/Merino / Action Tesa
9	Electrical items	As per BOQ/Philips/Havells
10.	MS sections	TATA/SAIL/APOLLO

3. Civil Items

i) Vitrified Tiles (Please refer BoQ Item no. 1 & 2)

The tile shall be: -

- a) VARMORA 600×600 mm SLATE BIANCO, Series - Magnium / KAJARIA as approved by Engineer-in-Charge.

- b) VARMORA 600×600 mm Roxy black, Series - High gloss series / KAJARIA as approved by Engineer-in-Charge.
- c) VARMORA 400×400 mm Resit Grey, Collection - Mystique collection, Series - mystique / KAJARIA approved by Engineer-in-Charge.
- d) 600mmx1200mm White Strip tile: - VARMORA 600X1200MM INFINITY CERVINO WHITE MATT - MAGNUM NEW/ / KAJARIA approved by Engineer-in-Charge.
- e) VARMORA 400×400 mm Liverpool Ivory Collection - Mystique collection Series - mystique/ KAJARIA approved by Engineer-in-Charge.

ii) Ceramic Tiles (Please refer BoQ Item no 4)

The tile shall be: -

- a) VARMORA 75x300 mm PIGMENT BLUE (Series - ORRA/GLIMMER) / KAJARIA approved by Engineer-in-Charge.

iii) In-Situ Bench (Please refer BoQ item no. 7)

The bench shall be constructed in 100 mm thick brick masonry in cement mortar 1:4, including 100 mm thick RCC lintel, 18 mm thick plaster finish, and base flooring as per drawing.

The bench height shall be 450 mm (18 inch) from finished floor level.

Top of bench shall be finished with cushioning (foam + fabric/ leatherite upholstery) fixed over plywood base.

All exposed surfaces shall be finished smooth with plaster and paint/laminate/stone finish as per approval of Engineer-in-charge.

Complete in all respects including materials, labour, finishing, curing, etc.

Measurement: Running meter

iv) Canopy Umbrella (Please refer BoQ item no. 8)

Colour: Grey
 Fabric Weight: 170 g/m²
 Height: 2390 mm
 Diameter: 2700 mm

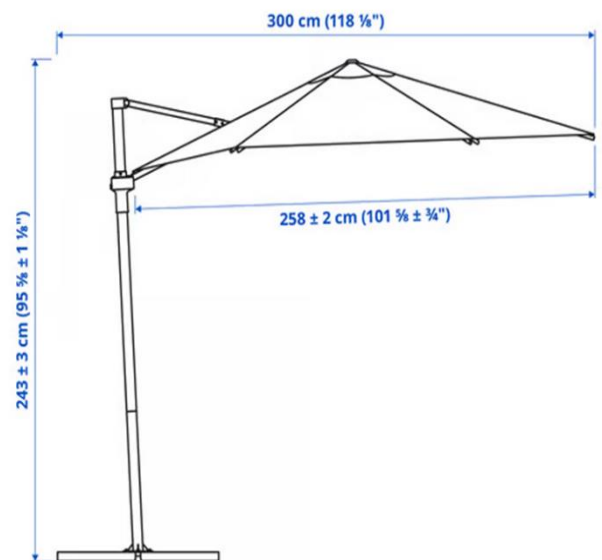

Material

Pole/ Rib: Steel, Polyester powder coating

Base: Galvanized steel, Polyester powder coating

Fabric: 100% polyester (min. 90% recycled)

Make: - IKEA MODEL - HÖGÖN - GREY

v) Outdoor Planter Bed (Please refer BoQ item no. 9): -

A linear outdoor planter bed of ht. - 18"constructed with durable masonry edging, layered soil medium, and a curated mix of ornamental shrubs and foliage plants, designed to enhance landscape aesthetics while providing structured greenery along the pathway. As per As-built drawing.

vi) Indoor Planter Bed (Please refer BoQ item no. 10): -

A curved indoor planter bed of ht. - 12"constructed with durable masonry edging, layered soil medium, and a curated mix of ornamental shrubs and foliage plants, around the in-situ seating. As per As-built drawing.

vii) Scribble Board (Please refer BoQ item no. 12): -

Writing board of size 10'3"x6'6" and design, made with 10mm back-painted glass surface on metal stud fitting and aluminum frame with corner fittings, complete. Make: - Pasco Plastic Co or equivalent

viii) Sofa Set (3-seater) (Please refer BoQ item no. 13): -

Providing, supplying and placing in position a sofa seating unit of approved design and make and size(6'8"x2'4"x1'6"(h), fabricated with a stainless-steel structure and premium leatherette finish, supported on a solid wood frame to ensure strength, durability and stability. The upholstery and seat covering shall be of premium leatherette, with seating supported by high-density foam filling to provide adequate comfort and resilience. The sofa shall have a matte finish and shall be supplied in Galaxy Blue color. The item shall carry a minimum warranty of five (5) years against manufacturing defects.

The sofa shall be Godrej / Durian (MEAGAN) make.

ix) Table type 1 (Please refer BoQ item no. 14): -

Tabletop

- Material: Acacia Wood (solid hardwood)
- Thickness: 50 mm (finished thickness)
- Quality: Well-seasoned, free from warping, cracks, knots, and defects
- Finish:
 - Machine-finished smooth surface
 - Edges rounded/chamfered as per design
 - Clear PU (Polyurethane) coating:
 - Minimum 2-3 coats
 - Matt/Semi-gloss/Gloss as approved
 - Scratch-resistant and moisture-resistant

Supporting Frame

- Material: Mild Steel (MS) frame
- Sections: As per approved design (e.g., rectangular/square hollow sections)
- Fabrication:
 - Proper cutting, welding, and grinding to achieve smooth joints
 - No visible weld marks after finishing
- Finish:
 - Powder-coated finish (minimum 60-80 microns thickness)
 - Color as per approved shade/sample
 - Anti-corrosion treated before coating

Make: - Kerning Kraft / Mangalam Handicraft / as approved by Engineer -in- Charge

x) Table type 2 (Please refer BoQ item no. 15): -

Providing, supplying, fabricating, and placing in position round café table of approved size and design, comprising 15 mm thick full-body stone finished top with smooth machine finish, supported on powder-coated MS central pedestal base with circular base plate.

The MS base shall be properly fabricated, welded, and finished with 60-80 microns powder coating. The stone top shall be uniform, defect-free, with smooth edges and proper finish.

The rate shall include all materials, labour, fabrication, transportation, fixing, hardware, taxes, and all incidental charges, complete in all respects as per approved drawings, detailed finish specifications, and direction of Engineer-in-Charge.

Make: - Kerning Kraft / Mangalam Handicraft / as approved by Engineer -in-Charge

xi) Table type 3 (Please refer BoQ item no. 16): -

Table top:

- Material: Full-body stone
- Thickness: 15 mm (finished)
- Quality: Uniform, defect-free, free from cracks and surface imperfections
- Finish: Smooth machine finish with properly finished edges

Supporting Base:

- Material: Moulded metal pedestal base (MS/CI/Aluminium as approved)
- Design: As per approved profile and drawings
- Fabrication: Properly cast/fabricated, finished, and free from defects
- Finish: Powder-coated/painted finish (minimum 60-80 microns), colour as approved, anti-corrosion treated

Make: Kerning Kraft / Mangalam Handicraft / as approved by Engineer-in-Charge

xii) Table type 4 (Please refer BoQ item no. 17): -

Table top:

- Material: Acacia Wood (solid hardwood), well-seasoned and defect-free
- Thickness: 50 mm (finished)
- Finish: Smooth machine finish with rounded/chamfered edges
- Coating: Clear PU polish (minimum 2-3 coats), matt/semi-gloss/gloss as approved, scratch and moisture resistant

Supporting System:

- Material: Mild Steel (MS) brackets and suspension rods (18 gauge)
- Fabrication: Proper cutting, welding, threading, and finishing with no visible defects
- Installation: Securely anchored to ceiling/wall with suitable fasteners, ensuring stability and load safety
- Finish: Powder-coated finish (minimum 60-80 microns), anti-corrosion treated, colour as approved

As per Approved Drawing

xiii) Table type 5 (Please refer BoQ item no. 18): -

Tabletop:

- Material: Full-body stone
- Thickness: 15 mm (finished)
- Quality: Uniform, defect-free, free from cracks and surface imperfections
- Finish: Smooth machine finish with properly finished edges

Supporting Frame:

- Material: Mild Steel (MS) frame (18-gauge thickness)
- Fabrication: Properly cut, welded, and finished with smooth joints and no visible weld marks
- Finish: Powder-coated finish (minimum 60-80 microns thickness), anti-corrosion treated, colour as approved

Make: Kerning Kraft / Mangalam Handicraft / as approved by Engineer-in-Charge

xiv) Table type 6 (Please refer BoQ item no. 19): -

Table Body:

- Material: Acacia Wood panels (solid/engineered as approved), well-seasoned and defect-free
- Thickness: 25 mm
- Finish: Machine-cut edges with smooth, even surface
- Joints: Concealed joints with proper alignment and tight fitting
- Coating: Clear polish/PU finish (2-3 coats), matt/semi-gloss/gloss as approved

Workmanship:

- All edges neatly finished without sharp corners
- Surface free from cracks, warping, or visible defects
- Uniform polish with consistent shade and finish

Make: Kerning Kraft / Mangalam Handicraft / as approved by Engineer-in-Charge

xv) Chair type 1 (Please refer BoQ item no. 20): -

Seat & Backrest:

Material: Moulded plastic

Finish: Smooth, uniform surface free from defects, scratches, and sharp edges

Design: Ergonomically shaped as per approved design

Supporting Frame:

Material: Solid wood (well-seasoned)

Fabrication: Machine-cut, properly joined, screwed, and assembled with firm connections

Finish: Smooth polished surface with uniform finish (melamine/PU/polish as approved)

Workmanship: Chair shall be stable, level, and free from wobbling

All edges rounded and safe for use Proper alignment and neat finishing

Make: Casacraft / Kerning Kraft / Featherlite

xvi) Chair type 2(Please refer BoQ item no. 21): -

Seat & Backrest:

Material: Moulded plywood (single-piece ergonomic shell)

Finish: Smooth surface with rounded edges

Upholstery: Leatherite fabric (min. 530 GSM, 1.2 mm thick)

Supporting Frame:

Material: MS tubular frame (18 gauge)

Finish: Powder-coated/epoxy-coated, anti-corrosion

Fixing: Concealed fasteners for clean appearance

Accessories: Non-marking PVC floor protectors

Make: Casacraft / Kerning Kraft / Featherlite

xvii) Chair type 3 High Bar stool (Please refer BoQ item no. 22): -

Seat:

Material: Solid wood (curved/contoured)

Finish: Melamine polish

Upholstery: Leatherite fabric

Supporting Frame:

Material: MS tubular frame (18 gauge)

Features: Footrest ring and cross bracing

Finish: Powder/epoxy coating

Bottom: PVC bushes for floor protection

Make: Kerning Kraft / Featherlite

xviii) Chair type 4(Please refer BoQ item no. 23): -

Seat & Backrest:

armchair (600×600×450 mm),

Material: MS frame structure

Upholstery: Fabric/Leatherite (min. 530 GSM,
1.2 mm thick)

Supporting Frame:

Material: MS tubular frame (18 gauge)

Includes: Legs and armrest structure

Finish: Powder/epoxy coating

Bottom: PVC floor protectors

CM00

xix) Chair type 5 (Please refer BoQ item no. 24): -

Seat:

armchair (600×600×450 mm)

Base: Plywood

Cushioning: High-density foam

Upholstery: Fabric/Leatherite

Supporting Frame:

Material: MS tubular frame (18 gauge)

Finish: Powder-coated, anti-corrosion

Make: Kerning Kraft / Urban art store

xx) Bean Bag (Please refer to BoQ item no. 25): -

Material:

- Outer Cover: Leatherette (min. 530 GSM), double stitched with zipper
- Filling: EPS thermocol beans (approved density)

Workmanship:

- Proper stitching with strong seams
- Uniform filling ensuring comfort and shape retention

Make: wakefit / PEPPERFRY MODEL - CLASSIC XXXL/ HOMECENTRE

xxi) Column MS Paneling (Please refer to BoQ item no. 26): -

Providing, supplying, fabricating, and fixing in position **MS column panelling** of approved design, comprising **MS framework of 1"×1" sections (18 gauge)** with **laser-cut/perforated MS sheet cladding (18 gauge)**, complete.

Framework:

- Material: Mild Steel sections (1"×1", 18 gauge)
- Fabrication: Properly cut, welded, and aligned

Cladding:

- Material: Laser-cut/perforated MS sheet (18 gauge)
- Design: As per approved pattern

Additional Features:

- Solid MS plates (200 mm width) for electrical switchboard support
- Integrated strip lighting arrangement as per design

Finish:

- Anti-corrosive primer + epoxy paint finish (approved shade)
- All welds ground smooth and neatly finished

Note: - All as per as builds drawing

xxii) Wall Art Painting (Please refer to BoQ item no. 27)

Providing and executing wall art painting on interior wall surfaces using approved quality acrylic paints, as per approved design, complete.

Scope:

- Surface preparation (cleaning, putty, sanding)
- Primer coat
- Base paint application
- Design execution (hand painting/digital projection outlining)
- Final finishing coat

Materials:

- Acrylic paints of approved brand and shade

Workmanship:

- Smooth, uniform finish with clear detailing
- No visible brush marks, patches, or defects

Make: As Approved by Engineer-in-Charge

xxiii) Partition (Planter Box Type) (Please refer to BoQ item no. 28)

Providing, supplying, fabricating, and fixing in position partition with planter box of approved design, made from BWP grade plywood (19 mm) such as Century Sainik / Green Ecotech / Archid Classic Plus, finished with laminate, complete.

Panel:

- Material: BWP 710 grade plywood (19 mm thick)
- Finish: Laminate finish of approved shade and texture

Supporting Frame:

- Material: MS frame (approx. 1.5"×1.5", 16 gauge)
- Fabrication: Properly cut, welded, and fixed

Dimensions:

- Height: 7'-0" ,Width: 1'-2", Length: 11'-6"

Workmanship:

- Proper alignment and verticality
- Smooth laminate finish without bubbles or joints visible

Make:

PLY- Century / Green / Archid

Tubular Section- Apollo / Jindal

Note: - All as per as builds drawing

xxiv) Landscaping (Plantation) (Please refer to BoQ item no. 29)

Providing, supplying, and placing in position ornamental plants of approved varieties in decorative pots, including potting mixture (garden soil, sand, and manure), transportation, placement at designated locations, and initial maintenance, complete in all respects as per direction of Engineer-in-Charge.

The rate shall include supply of plants, pots, soil mixture, manure, transportation, handling, placement, watering, and initial maintenance.

(Detailed specifications of plants are provided in Technical Specifications section)

S. No.	Item Name	Model details	Image
1	CREPER Plant	MODEL - MONEY PLANT GOLDEN WITH HANGING POT QUANTITY-14

Signature(s) of Bidder(s)

Annexure-2

Format of Bank Guarantee Bank Guarantee for Performance Security

(On letter head of the Owner with adhesive stamp / non-judicial stamp paper of appropriate value at the time of issue of Bank Guarantee)

THIS DEED OF GUARANTEE made on _____ day of _____ 2026, between [Name of Bank], having Registered Office at [Address], (hereinafter called the “Bank” which expression shall unless repugnant to the context and meaning thereof include its successors) in favor of **Indian Institute of Management Indore having its office at Prabandh Shikhar, Rau-Pithampur Road, Indore- 453556 (M.P.)** (hereinafter called “Owner” which expression shall unless repugnant to the context and meaning thereof include its successors and assigns).

WHEREAS (IIMI) Indian Institute of Management Indore has issued a Letter of Acceptance / Letter of Intent No..... dated _____ to _____ having its Corporate office at _____ (hereinafter called the “Contractor”) which constitute a binding Contract (hereinafter called “Contract Agreement”) for carrying out the “**Redevelopment of SR-10 Food Court at IIM Indore.**” based upon the Tender submitted by the Contractor and agreed between Client and Contractor and subject to the terms therein contained. The work to be carried out by Contractor shall be supervised and implemented by M/s _____ (hereinafter called “Contractor/Bidder”)

AND WHEREAS in accordance with the terms and conditions of the contract agreement, the Contractor has agreed to furnish a Bank Guarantee to Owner in the form of acceptable to performance guarantee for a sum of Rs. _____ (Rupees _____ Only) to ensure timely and satisfactory performance by the Contractor of its obligation under the Contract Agreement.

AND WHEREAS the Bank has at the request of the Contractor agreed to furnish this irrevocable and unconditional guarantee in favour of Owner to secure performance by the Contractor of its obligations under the Contract Agreement on the terms and conditions herein contained.

NOW THIS DEED WITHNESSTH AS FOLLOWS:

1. The Bank hereby unconditionally and irrevocably guarantees the due and punctual performance and observance of and compliance by the Contractor of the covenants, agreements, conditions and provisions expressed or implied on the part of the Contractor to be performed observed or complied with under the Contract Agreement in accordance with the terms thereof and in the event of any non-performance and non-compliance of the same for any reason, the Bank shall absolutely irrevocably and unconditionally without any demur right of set off or counter claim, forthwith upon written demand by Owner and without demur or protest and without reference to the Contractor pay to Owner a sum not exceeding Rs. _____ (Rupees _____ only). A demand so made by _____ shall be final and binding on the Bank.
2. The Bank’s liability under this Guarantee is restricted to Rs. _____ (Rupees _____ only).

3. The decision of Owner for the time being in force, or at any time thereafter as to the non-performance, non-observance and non-compliance by the Contractor of the covenants, agreements, conditions and provisions, expressed or implied, on the part of the Contractor, to be observed performed or complied with under the Contract Agreement shall be final, conclusive and binding upon the Bank and shall not in any circumstances be questioned by the Bank, under what so ever circumstances.
4. Any demand for payment under this Guarantee shall be made on the Bank by Owner in writing at [Bank Address] and shall be deemed to have been sufficiently made by Owner if the writing containing the demand is sent to the Bank by registered post to the address as aforesaid or sent to the Bank by hand delivery at such address and written acknowledgement obtained to such delivery.
5. The guarantee obligations of the Bank hereunder shall continue in force and effect and be binding on the Bank in accordance with its terms upto _____ or unless extended on written demand by IIM Indore until the due performance, observance and compliance by the Contractor of all the covenants, agreements, conditions and provisions, expressed or implied, on the part of the Contractor to be observed, performed or complied with under the Contract Agreement, the completion of the Defects Liability Period and issue of the Certificate of Final Completion by Owner in accordance with the Contract Agreement.
6. As between the Bank and Owner (but without affecting the Contractors' obligations) the Bank shall be liable under this Guarantee as if it were the sole principal debtor. The Bank's liability hereunder shall not be discharged nor shall its liability be affected by:
 - a. Any time, indulgence, waiver or consent at any time given by Owner to the Contractor.
 - b. Any amendment to the Contract Agreement,
 - c. The making or the absence of any demand by Owner on the Contractor or any other person for payment.
 - d. The enforcement or absence of enforcement of the Contract Agreement or of any security or other defect in any provision of the Contract Agreement or of any of the Contractors obligations there under;
 - e. The dissolution, amalgamation, reconstruction or reorganization or appointment of any Administrative Receiver of the Contractor.
7. The Guarantee herein contained shall not be determined or in any way prejudiced or affected by any change in the constitution of the Bank/ Owner or by any merger, or amalgamation or reconstruction of the Bank / Owner but shall be enforceable against the merged, amalgamated or reconstruction body.
8. The Bank hereby expressly and irrevocably waives all claims of waiver, release, surrender or compromise and all defenses, set offs, counter claims recoupments, reductions, limitations and impairments, whatsoever.
9. Owner shall be at liberty to vary and alter or modify any of the terms and conditions of the Contract Agreement including without limitation to extend from time to time the time for the performance of the Contract Agreement by the Contractor or to postpone from time to time any of the powers exercisable by owner against the Contractor, to forbear or to enforce any of the terms and conditions of the Contract Agreement, without in any manner affecting this Guarantee and without notice to or assent of the Bank.

10. The Bank waives any right to require/ proceeding first against the Contractor or the realization first of any other security or other guarantee, if any.
11. The Bank agrees and confirms that its obligation to make payment to Owner on demand hereunder and discharge of such obligation shall not be delayed, exercised or avoided by reason of any act or omission on the part of Owner.
12. The bank declares and confirms that the Bank has taken all necessary corporate action to authorize the execution delivery and performance of this Guarantee in accordance with the terms hereof and that the Bank has full power to enter into and perform and discharge its obligations under taken hereunder and that this Guarantee constitutes legal, valid and binding obligation of the Bank, enforceable in accordance with its terms and any defects therein or in its execution shall not be a plea for non-payment or performance of its obligation.
13. This guarantee shall be Governed by and construed in all respects according to the laws of India and shall be subject to the jurisdiction of the courts in Indore.
14. Any forbearance or indulgence on the part of Owner in the enforcement of the covenants, agreements, conditions and provisions, expressed or implied, on the part of the Contractor to be observed, performed or complied with by the Contractor under the contract agreement shall in no way relieve the Bank of its liability under the Guarantee.
15. Terms and expression defined in the contract agreement and used herein shall have the meanings assigned to them therein save and except where the context otherwise require.
16. Notwithstanding anything contained hereinabove;
 - a. Our liability under this bank guarantee shall not exceed Rs. _____ (Rupee _____)
 - b. This bank guarantee shall be valid upto _____ or and
 - c. It is a condition to our liability for payment of the guaranteed amount or part any thereof arising under this Bank guarantee that we receive a valid written claim or demand for payment under this bank guarantee on or before _____ or as provided in clause 5 failing which our liability under this bank guarantee will automatically cease.
 - d. This bank guarantee is not assignable and not transferable to third party.

IN WITNESS WHEREOF THE BANK HAS SET ITS HAND AND SEAL THE DAY AND YEAR FIRST ABOVE WRITTEN.
