About Resource

[Bloomberg.com](https://www.bloomberg.com) is a digital magazine dedicated to real-time, data-driven insights that help students and faculty in school and in their career. With over 2,700 journalists in 120+ countries, [Bloomberg.com](https://www.bloomberg.com) provides global perspectives and market-moving news in all the formats that today's aspiring students crave. Grant access to a specific class, department, or entire campus.

The [Bloomberg.com](https://www.bloomberg.com) Academic Subscription empowers Students to:

Cite reliable, unbiased, data-driven insights with confidence.

Gain a clear understanding of today's business landscape

Prepare for careers at the top

Faculty also gain the ability to:

Link curriculum with real-time market news and current events.

Enrich their education and elevate research

Foster critical thinking through case studies, mock portfolios and more.
