Indian Institute of Management Indore

Two-Year Post Graduate Programme in Management (PGP)

PGP (2027-29 Batch) Admission Procedure for International Applicants

1. Definition of International Applicants

Foreign passport holders only will be considered as 'International Applicants' for admission to the Post Graduate Programme in Management of IIM Indore in the 2027-29 batch.

2. Eligibility Criteria

The candidate must have a valid Graduate Management Admission Test (GMAT) score with a minimum overall score of 700, as of December 31, 2026. Scores from the GMAT taken between January 1, 2025, and December 31, 2026, will be considered for processing.

The candidate must hold a Bachelor's Degree, with at least 50% marks or equivalent CGPA, awarded by any University or educational institution as incorporated by an Act of Parliament or State legislature in India or declared to be deemed as an University under Section 3 of the UGC Act, 1956, or possess an equivalent qualification recognized by the Ministry of Education, Government of India. **The equivalence of the foreign degree needs to be certified by the Association of Indian Universities.**

Candidates appearing for the final year of a Bachelor's degree/equivalent qualification examination and those who have completed degree requirements and are awaiting results can also apply. However, it may be noted that such candidates, if selected, will be allowed to join the programme provisionally, only if they submit a certificate from the Principal/Registrar of their University/Institution (issued on or before June 30, 2027) stating that they have completed all the requirements for obtaining the Bachelor's degree/equivalent qualification on the date of issue of the certificate.

Candidates should fulfill any one of the following conditions:

- Completed a Bachelor's degree with the required percentage of marks*.
- Completed professional degree (CA/CS/ICWA/Fellow of the Institute of Actuaries of India (FIAI)) with required percentage*.
- Should be in the final year of a Bachelor's degree with the required percentage*.

* Candidates should have a minimum of 50% marks or equivalent CGPA.

The percentage of marks obtained by the candidate would be calculated based on the practice as followed by the respective University/Institution. In the case of grades/CGPA, the conversion to a percentage of marks will be based on the procedure certified by the respective University/Institution. If any University/Institution confirms that there is no scheme for converting CGPA into equivalent marks, the equivalence would be established by dividing the candidate's CGPA by the maximum possible CGPA, and multiplying the result by 100.

The deadline for submitting the mark sheet and certificate is December 31, 2027. Non-fulfilment of this condition will automatically result in the cancellation of the provisional admission. Any candidate who submits university mark sheets which do not clearly indicate that he/she has passed the Bachelor's degree course or equivalent, and also submits Provisional Certificate from an affiliated college/institute would, in addition, be required to produce an authorization certificate from the university stating that such an affiliated college/institute is authorized/empowered to issue such a certificate on behalf of the university.

IIM Indore may verify eligibility at various stages of the selection process. Applicants should note that merely fulfilling the minimum eligibility criteria will not guarantee consideration for shortlisting by IIM Indore. Candidates must declare and maintain a valid and unique email account and a mobile phone number throughout the selection process.
